Richard Russo has celebrated Monica Wood's fiction as "thoroughly captivating warm and wise and beautifully written," and Andre Dubus III praised it as "luminous and graceful—entertaining yet transcendent." Any Bitter Thing, Wood's brilliant new novel, is her breakout book, a timely, gripping, and compassionate tale of family, faith, and deeply hidden truths. One of its greatest strengths is its continuous ability to defy expectations. It's not what you think. It is worse. Lizzy Mitchell was raised from the age of two by her uncle, a Catholic priest. When she was nine, he was falsely accused of improprieties with her and dismissed from his church, and she was sent away to boarding school. Now thirty years old and in a failing marriage, she is nearly killed in a traffic accident. What she discovers when she sets out to find the truths surrounding the accident and about the accusations that led to her uncle's death does more than change her life. With deft insight into the snares of the human heart, Monica Wood has written an intimate and emotionally expansive novel full of understanding and hope.

BONUS: This edition contains an excerpt from Jeff Shaara's No Less Than Victory. Jeff Shaara, America's premier author of military historical fiction, brings us the centerpiece of his epic trilogy of the Second World War. General Dwight Eisenhower once again commands a diverse army that must find its single purpose in the destruction of Hitler's European fortress. His primary subordinates, Omar Bradley and Bernard Montgomery, must prove that this unique blend of Allied armies can successfully confront the might of Adolf Hitler's forces, who have already conquered Western Europe. On the coast of France, German commander Erwin Rommel fortifies and prepares for the coming invasion, acutely aware that he must bring all his skills to bear on a fight his side must win. But Rommel's greatest challenge is to strike the Allies on his front, while struggling behind the lines with the growing insanity of Adolf Hitler, who thwarts the strategies Rommel knows will succeed. Meanwhile, Sergeant Jesse Adams, a no-nonsense veteran of the 82nd Airborne, parachutes with his men behind German lines into a chaotic and desperate struggle. And as the invasion force surges toward the beaches of Normandy, Private Tom Thorne of the 29th Infantry Division faces the horrifying prospects of fighting his way ashore on a stretch of coast more heavily defended than the Allied commanders anticipate—Omaha Beach. From G.I. to general, this story carries the reader through the war's most crucial juncture, the invasion that altered the flow of the war, and, ultimately, changed history.
