Based on the tradition Carol Aebersold began with her family in the 1970s, this cleverly rhymed children's book explains that Santa knows who is naughty and/or nice because he sends a scout elf to every home. During the holiday season, the elf watches children by day and reports to Santa each night. "The Yellow Wallpaper" is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in *The New England Magazine*. [1] It is regarded as an important early work of American feminist literature, due to its illustration of the

attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer.

Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women during that period

Yummie, Yummie...Dirty Socks  
Michael's room was always a disaster area, strewn with

---

all kinds of litter -- heaps of papers, piles of crumpled clothes, and dirty socks everywhere. And that was just the top layer The trouble was, half the room belonged to Michael's brother Norman the neatness nut. It was the battle of the bedroom -- with Norman fighting to keep his spotless territory free from the invasion of Michael's mess. But that was before the appearance of the most amazing plants ever Suddenly Michael's junk heap disappeared and the room was taken over by the two giant plants that gobbled up socks faster than anyone could supply them And their appetites were growing bigger every day When the plant that militant slob Michael grows from his mail-order seeds develops an appetite for dirty socks, Michael and his neatnik brother, Norman, join

together to persuade their parents to let them keep the ever-growing-and voracious-greenery.

A collection of humorous and nostalgic Americana stories—the beloved, bestselling classics that inspired the movie A Christmas Story Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun

the materials of his all-American childhood into immensely resonant—and utterly hilarious—works of comic art. In God We Trust: All Others Pay Cash represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In God We Trust, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a

wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.
