Please note, this includes the 4th Edition only.Use these review packets as study guides for your students to prepare for each unit test. The format is identical to the tests and the questions are designed to help your students review and practice skills and concepts taught in Everyday Math.
Everyday Math Grade 4 Unit
Finding the Unit and Lesson Numbers. Everyday Mathematics is divided into Units, which are divided into Lessons. In the upper-left corner of the Home Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4. To access the help resources, you would select "Unit 5" from the list above, and then look for the row in the table labeled "Lesson 5-4."
