"[A] firecracker of a debut . . .
Abreu's novel, in Julia Sanches's
sparkling translation, is a
revelation, perfectly capturing a
festering summer of meltdowns

and shrinking horizons." —The
New York Times My Brilliant
Friend meets Blue is the Warmest
Color in this lyrical debut novel
set in a working-class
neighborhood of the Canary
Islands—a story about two girls
coming of age in the early aughts
and a friendship that simmers into
erotic desire over the course of
one hot summer. High near the
volcano of northern Tenerife, an
endless ceiling of cloud cover
traps the working class in an
abject, oppressive heat. Far away

from the island's posh resorts, two girls dream of hitching a ride down to the beach and escaping their horizonless town. It's summer, 2005, and our ten-year-old narrator is consumed by thoughts of her best friend Isora. Isora is rude and bossy, but she's also vivacious and brave; grownups prefer her, and boys do, too. That's why sometimes she gets jealous of Isora, who already has hair on her vagina and soft, round breasts. But she's definitely not jealous that Isora's mother is dead, nor that Isora's fat, foul-mouthed grandmother has her on a diet, so that she is constantly sticking her fingers down her throat. Besides, she would do anything for Isora: gorge herself on cakes when her friend wants to watch, follow her to the bathroom when she takes a shit, log into chat rooms to swap dirty instant messages with strangers. But increasingly, our narrator finds it hard to keep up with Isora, who seems to be growing up at full tilt without her—and as her submissiveness veers into a painful sexual awakening, desire grows indistinguishable from

intimate violence. Braiding prose poetry with bachata lyrics and the gritty humor of Canary dialect, *Dogs of Summer* is a story of exquisite yearning, a brutal picture of girlhood and a love song written for the vital community it portrays.

Back by popular demand the only breeding book endorsed by top breeders "There are many books on breeding dogs, but Ann's book is so on-target and comprehensive that it has become a bible among successful breeders. The news that Howell is making this modern classic

available again is to the benefit of both new and future generations of aspiring breeders." -- From the new Foreword by Wendell J. Sammet, The American Kennel Club's first Breeder of the Year (2002) The bible of quality dog breeding, *The Joy of Breeding Your Own Show Dog* is a must-have for novice and veteran breeders alike, covering everything from developing a viable breeding program to genetics to whelping, raising, and socializing puppies. Written in easy-to-understand language by renowned dog breeder Ann Seranne, this classic takes you step by step through the entire process of breeding a successful litter, from the moment of conception to a dog's first show. You'll see how to select a method of breeding, evaluate your own breeding stock and the potential of a litter, avoid the pitfalls of whelping, and properly care for the litter until the puppies are ready to go to their new homes. Ann

Seranne's deep love of dogs, her vast knowledge, and her expertise make this the only guide you will ever need to become a successful breeder. *The Big New Yorker Book of Dogs* Graphic Arts Center Publishing Co. A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher 's carefully constructed world falls

apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read. This is the story of a happy marriage. Scholastic Inc. Doggy do-gooder Julie Shields has one month to save two delinquent poodles from becoming doggies of divorce. A self-proclaimed born-again virgin with a biological clock running out of juice, she also needs to find a husband. When hunky pilot Nick Worthington arrives at the Abilene airport to fly her to Waco, he sends Julie into a tailspin. But he also may be a drug trafficker and smuggler of illegal aliens. Not only that, he's involved with another woman. Julie's quest for a suitable husband leads to several misfires. Only Nick leaves her panting for more. Will she have to put a choke chain on him before the month is out?

Rose Howard is obsessed with homonyms. She's thrilled that her own name is a homonym, and she purposely gave her dog Rain a name with two homonyms (Reign, Rein), which, according to Rose's rules of homonyms, is very special. Not everyone understands Rose's obsessions, her rules, and the other things that make her different – not her teachers, not other kids, and not her single father. When a storm hits their rural town, rivers overflow, the roads are flooded, and Rain goes missing. Rose's father shouldn't have let Rain out. Now Rose has to find her dog, even if it means leaving her routines and safe places to search. Hearts will

break and spirits will soar for this powerful story, brilliantly told from Rose's point of view.

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett ' s prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike."

—Publisher's Weekly “ Any story that starts will also end. ” As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming.

Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores “ what it means to be seen, to find someone with whom you can be your best and most complete self. ”

When Patchett chose an early galley of actor and producer Tom Hanks ’ short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom ’ s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer ’ s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo ’ s children ’ s books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz ’ s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author ’ s grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

bestselling author of *Commonwealth*, comes a powerful, richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the

brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

The commercial pet food industry has a secret to hide -- and Ann Martin wants to make sure you know it. Her research reveals some startling facts: that

the pet food industry conducts animal testing in order to improve their product, and includes euthanized cats and dogs in the mix to heighten protein content. In this revised and updated edition, Martin continues to explore the shocking processes by which commercial pet foods are produced. She offers alternative recipes for feeding pets, nutritional advice, and an exploration of "Pet Peeves," in which she explores several scams aimed at pet owners. This groundbreaking book gives us a glimpse into exactly what we are doing when we buy pet food.

If I Ran the Zoo HMH Books For Young Readers From New York Times bestseller Kody Keplinger comes an astonishing and thought-provoking exploration of the aftermath of tragedy, the power of narrative, and how we remember what we've lost. It's been three years since the Virgil County High

School Massacre. Three years since my best friend, Sarah, was killed in a bathroom stall during the mass shooting. Everyone knows Sarah's story--that she died proclaiming her faith. But it's not true. I know because I was with her when she died. I didn't say anything then, and people got hurt because of it. Now Sarah's parents are publishing a book about her, so this might be my last chance to set the record straight . . . but I'm not the only survivor with a story to tell about what did--and didn't--happen that day. Except Sarah's martyrdom is important to a lot of people, people who don't take kindly to what I'm trying to do. And the more I learn, the less certain I am about what's right. I don't know what will be worse: the guilt

of staying silent or the
consequences of speaking up
