Jane Austen (1775-1817) was an English novelist whose realism, biting social commentary and masterful use of free indirect speech, burlesque, and irony have earned her a place as one of the most widely read and most beloved writers in English literature. Austen lived her entire life as part of a small and close-knit family located on the lower fringes of English gentry. She was educated primarily by her father and older brothers as well as through her own reading. The steadfast support of her family was critical to Austen's development as a professional writer. During this period, she experimented with various literary forms, including the epistolary novel which she tried and then abandoned. From 1811 until 1816, with the release of *Sense and Sensibility* (1811), *Pride and Prejudice* (1813), *Mansfield Park* (1814) and *Emma* (1816), she achieved success as a published writer. She wrote two additional novels, *Northanger Abbey* and *Persuasion*, both published posthumously in 1818, and began a third, which was eventually titled *Sanditon*, but died before completing it.

It's 1975 and Britain is a country in political flux. In Glasgow the dirty old Victorian slums have been razed to the ground, replaced with brand new slums twenty storeys high. Chips are a health food and the very mention of filet mignon would spark a riot on the Govan Road. As its citizens struggle to adapt to their changing world, they wonder what will replace the steel mills and the shipyards, whether they look stupid in flares and what the lyrics of the Bay City Rollers' 'Shang-A-Lang' actually mean? Ten-year-old Steve Duff longs to be poor and neglected like his friend Wally, whose parents are incapable drunks. Frustratingly for Steve, he's saddled with a conventional, stable and middle-class family. Then, over the course of a year, his father has a fling with a barmaid and leaves home, his mother's response is to start a psychology degree, his sister is arrested for demanding money with menaces and his brother gets a girl pregnant. As if the normal indignities of growing up weren't bad enough... This is a funny touching and heart-warming debut novel that will strike a chord with anyone who has been an awkward kid at least once in their life.

Life After God Farrar, Straus and Giroux

In her highly anticipated memoir, Margaret A. Salinger writes about life with her famously reclusive father, J.D. Salinger—offering a rare look into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be.

"Hilarious, incisive, and uncomfortably familiar." Jonathan Evison, author of *The Revised Fundamentals of Caregiving: A Novel* "Johnson perfectly captures both the ennui and elation of parenthood and the mundanity and magic of marriage... I love this little book." T. Greenwood, author of *Rust & Stardust: The King of Nothing Much* is a story about parenthood in a time of transition. *Weldon Tines, 41*, is a stay-at-home dad who has outlived his usefulness in the role. The twins Danny and Reese have just started kindergarten, his older daughter Presley wants nothing to do with him, and his wife Deb makes enough money for the family to live on. Newly rudderless, Weldon struggles to understand his purpose on this earth. Who is it that can tell him who he is? When Weldon slides gleefully down an inflatable slide at a child's birthday party, only to come crashing into the birthday boy, he thinks he's just made a mistake that will lead only to hassle and headache. Instead, it kick-starts a quest for personal discovery that culminates in a dramatic flourishing of Weldon's deep-seated heroism. Witty and original, *The King of Nothing Much* speaks to what it means to be a father and a husband in the age of toxic masculinity.

An NPR, Washington Post, Time, People, Vulture, Guardian, Vox, Kirkus Reviews, Newsweek, LitHub, and New York Public Library Best Book of the Year * "Delightful... cathartic, devious, and terrifically entertaining." —The New York Times * "Timely, whip-smart, and darkly funny." —People (Book of the Week) A provocative, razor-sharp, and timely debut novel about a beloved English professor facing a slew of accusations against her professor husband by former students—a situation that becomes more complicated when she herself develops an obsession of her own... "When I was a child, I loved old men, and I could tell that they also loved me." And so we are introduced to our deliciously incisive narrator: a popular English professor whose charismatic husband at the same small liberal arts college is under investigation for his inappropriate relationships with his former students. The couple have long had a mutual understanding when it comes to their extra-marital pursuits, but with these new allegations, life has become far less comfortable for them both. And when our narrator becomes increasingly infatuated with Vladimir, a celebrated, married young novelist who's just arrived on campus, their tinder box world comes dangerously close to exploding. With this bold, edgy, and uncommonly assured debut, author Julia May Jonas takes us into charged territory, where the boundaries of morality bump up against the

impulses of the human heart. Propulsive, darkly funny, and wildly entertaining, Vladimir perfectly captures the personal and political minefield of our current moment, exposing the nuances and the grey area between power and desire.

YOU ARE THE FIRST GENERATION RAISED WITHOUT RELIGION What happens if we are raised without religion or beliefs? As we grow older, the beauty and disenchantments of the world temper our souls. We all have spiritual impulses, yet where do these impulses flow in a world of commodities and consumerism? *LIFE AFTER GOD* is a compellingly innovative collection of stories responding to these themes. Douglas Coupland takes us into worlds we know exist but rarely see, finding rare grace amid our pre-millennium turmoil.

The Druggist of Auschwitz Simon and Schuster

Miss Katherine Spicer started her first day at Coldfield Comprehensive School, confident, enthusiastic and very well qualified; that was until she met the eyes of the student hidden in the corner of her classroom. Kat's final weekend of freedom was about to turn her life upside down and threaten everything she had been working for. How was she to know those mesmerising green eyes would reappear here? Great lesbian chick lit. A cross between *Notes on a Scandal* by Zoe Heller and *Sugar Rush* by Julie Burchill. The novel deals with the many issues of sexuality in a gripping, yet funny manner, pulling the reader back into a world of teenage nostalgia and school day memories.

The Last of the Duchess MIRA

High in the Hollywood Hills, writer Lady Daniels has decided to take a break from her husband. She's going to need a hand with her young son if she's ever going to finish her memoir. In comes S., a magnetic young artist, who will live in the secluded guest house out back, care for Lady's young toddler son, and keep a watchful eye on her older, teenage, one. S. performs her day job beautifully, quickly drawing the entire family into her orbit, and becoming a confidante for Lady. But as the summer wears on, S.'s connection to Lady's older son takes a disturbing, and possibly destructive, turn. Lady and S. will move closer to one another as they both threaten to harm the things they hold most dear. Darkly comic, twisty and tense, this mesmerizing new novel defies expectation and proves Edan Lepucki to be one of the most talented and exciting voices of her generation.

The King of Pain Harper Collins

"[Zoe Heller] is an extraordinarily entertaining writer, and this novel showcases her copious gifts, including a scathing, Waugh-like wit."—New York Times Best-selling author Zoe Heller has followed up the critical and commercial success of *What Was She Thinking?* *Notes on a Scandal* with another tour-de-force on the meaning of faith, belief, and trust: *The Believers*. Tragic and comic, witty and intense, *The Believers* is the story of a dysfunctional family forced by tragedy to confront their own personal demons. In the vein of Claire Messud and Zadie Smith, Zoe Heller has written that rare novel that tackles the big ideas without sacrificing page-turning readability.

Dieter Schlesak's haunting novel *The Druggist of Auschwitz*—beautifully translated from the German by John Hargraves—is a frighteningly vivid portrayal of the Holocaust as seen through the eyes of criminal and victim alike. Adam, known as "the last Jew of Schäßburg," recounts with disturbing clarity his imprisonment at the infamous Auschwitz concentration camp. Through Adam's fictional narrative and excerpts of actual testimony from the Frankfurt Auschwitz Trial of 1963–65, we come to learn of the true-life story of Dr. Victor Capesius, who, despite strong friendships with Jews before the war, quickly aided in and profited from their tragedy once the Nazis came to power. Interspersed with historical research and the author's face-to-face interviews with survivors, the novel follows Capesius from his assignment as the "sorter" of new arrivals at Auschwitz—deciding who will go directly to the gas chamber and who will be used for labor—through his life of lavish wealth after the war to his arrest and eventual trial. Schlesak's seamless incorporation of factual data and testimony—woven into Adam's dreamlike remembrance of a world turned upside down—makes *The Druggist of Auschwitz* a vital and unique addition to our understanding of the Holocaust.

But She Is My Student Little, Brown

Collected Stories includes both volumes of the National Book Award-winning author Shirley Hazzard's short-story collections—*Cliffs of Fall* and *People in Glass Houses*—alongside uncollected works and two previously unpublished stories Shirley Hazzard's *Collected Stories* is a work of staggering breadth and accomplishment. Taken together, these twenty-eight short stories are masterworks in telescoping focus, ranging from quotidian struggles between beauty and pragmatism to satirical send-ups of international bureaucracy, from the Italian countryside to suburban Connecticut. Hazzard's heroes are high-minded romantics who attempt to fit their feelings into the twentieth-century world of office jobs and dreary marriages. After all, as she writes in "The Picnic," "It was tempting to confine oneself to what one could cope with. And one couldn't cope with love." And yet it is the comedy, the tragedy, and the splendor of love, the pursuit and the absence of it, that animates Hazzard's stories and provides the truth and beauty that her protagonists seek. Hazzard once said, "The idea that somebody has expressed something, in a supreme way, that it can be expressed; this is, I think, an enormous feature of literature." Her stories themselves are a supreme evocation of writing at its very best: probing, uncompromising, and deeply felt.

The Believers Henry Holt and Company

In a collection that includes new essays written explicitly for this volume, one of our sharpest and most influential critics confronts the past, present, and future of literary culture. If every outlet for book criticism suddenly disappeared — if all we had were reviews that treated books like any other commodity — could the novel survive? In a gauntlet-throwing essay at the start of this brilliant assemblage, Cynthia Ozick stakes the claim that, just as surely as critics require a steady supply of new fiction, novelists need great critics to build a vibrant community on the foundation of literary history. For decades, Ozick herself has been one of our great critics, as these essays so clearly display. She offers models of critical analysis of writers from the mid-twentieth century to today, from Saul Bellow, Bernard Malamud, and Kafka, to William Gass and Martin Amis, all assembled in

provocatively named groups: Fanatics, Monsters, Figures, and others. Uncompromising and brimming with insight, these essays are essential reading for anyone facing the future of literature in the digital age.

In a gripping narrative that shifts between London, Sussex, and the idyllic South of France, Olivia and Vivian will learn knife-edged truths about themselves and discover just how far each will go to protect her reputation.

Critics, Monsters, Fanatics, And Other Literary Essays Harper Collins

In 1980, Lady Caroline Blackwood was commissioned by The Sunday Times to write an article on the aging Duchess of Windsor, who was said to be convalescing in her French mansion in the Bois de Boulogne. Yet what began as a curiosity was to become for Blackwood one of the most challenging experiences of her writing career, launching her into a battle of wits with the Duchess's formidable lawyer, Maître Suzanne Blum. Maître Blum refused to let Blackwood near the Duchess, spinning elaborate excuses as to why she was unavailable and threatening anyone who dared suggest that she was in anything other than the best of health. Still, while Blum's machinations restricted Blackwood's ability to publish a frank interview, it only served to pique her interest in the bizarre relationship between the infamous Duchess—a woman who once inspired a king to abdicate his crown—and her eccentric, domineering gatekeeper. Sixteen years later, Blackwood turned her experiences into this riveting and excoriating modern classic about the frailties of old age, the foibles of society, and the dual-edged nature of celebrity.

The Opposite of Everything Quercus

"In this sly and salacious work, Nutting forces us to take a long, unflinching look at a deeply disturbed mind, and more significantly, at society's often troubling relationship with female beauty." (San Francisco Chronicle) In Alissa Nutting's novel *Tampa*, Celeste Price, a smoldering 26-year-old middle-school teacher in Florida, unrepentantly recounts her elaborate and sociopathically determined seduction of a 14-year-old student. Celeste has chosen and lured the charmingly modest Jack Patrick into her web. Jack is enthralled and in awe of his eighth-grade teacher, and, most importantly, willing to accept Celeste's terms for a secret relationship—car rides after dark, rendezvous at Jack's house while his single father works the late shift, and body-slamming erotic encounters in Celeste's empty classroom. In slaking her sexual thirst, Celeste Price is remorseless and deviously free of hesitation, a monstress of pure motivation. She deceives everyone, is close to no one, and cares little for anything but her pleasure. *Tampa* is a sexually explicit, virtuosically satirical, American Psycho-esque rendering of a monstrously misplaced but undeterrable desire. Laced with black humor and crackling sexualized prose, Alissa Nutting's *Tampa* is a grand, seriocomic examination of the want behind student / teacher affairs and a scorching literary debut.

Zoë Heller's first novel introduces an unforgettable curmudgeon, Willy Muller, an embittered journalist turned celebrity biographer and misanthrope. At the age of fifty, having survived imprisonment for murdering his wife, years of venomous hate mail from the public, and most recently, the suicide of his daughter, Sadie, Willy is about to become an unlikely candidate for redemption. With its scalpel-sharp wit and brilliant dialogue, *Everything You Know* is "a smashing success. Wickedly funny, lively, and---ultimately---moving" (Newsday).

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle • Newsweek/The Daily Beast • The Seattle Times • The Economist • Kansas City Star • BookPage On February 14, 1989, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called *The Satanic Verses*, which was accused of being "against Islam, the Prophet and the Quran." So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to fight back? In this remarkable memoir Rushdie tells that story for the first time; the story of one of the crucial battles, in our time, for freedom of speech. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and honesty, compelling, provocative, moving, and of vital importance. Because what happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for *Joseph Anton* "A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that have animated Mr. Rushdie's work throughout his career."—Michiko Kakutani, *The New York Times* "A splendid book, the finest . . . memoir to cross my desk in many a year."—Jonathan Yardley, *The Washington Post* "Thoughtful and astute . . . an important book."—USA Today "Compelling, affecting . . . demonstrates Mr. Rushdie's ability as a stylist and storyteller. . . . [He] reacted with great bravery and even heroism."—*The Wall Street Journal* "Gripping, moving and entertaining . . . nothing like it has ever been written."—*The Independent (UK)* "A thriller, an epic, a political essay, a love story, an ode to liberty."—*Le Point (France)* "Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie's eye is a camera lens—firmly placed in one perspective and never out of focus."—*Los Angeles Review of Books* "Unflinchingly honest . . . an engrossing, exciting, revealing and often shocking book."—*de Volkskrant (The Netherlands)* "One of the best memoirs you may ever read."—*DNA (India)* "Extraordinary . . . Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing—at all costs—any curtailment on a writer's freedom."—*The Boston Globe*
