Harcourt, the abbot, the
Knurly Man, and the girl
Yolanda journey, for reasons
as various as their
personalities, into the Empty
Lands, where all the evil
beings of myth--and the
ultimate dark Power--await
them

The Deliverance of Evil Orbit

Arguing that the prevalence of evil presents a fundamental problem for our secular sensibility, John Kekes develops a conception of character-morality as a response. He shows that the main sources of evil are habitual, unchosen actions produced by our character defects and that we can increase our control

over the evil we cause by cultivating a reflective temper.

Speaking with the Devil Emporium Press

Sky piracy is a bit out of Darian Frey's league. Fate has not been kind to the captain of the airship *Ketty Jay*—or his motley crew. They are all running from something. Crake is a daemonist in hiding, traveling with an armored golem and burdened by guilt. Jez is the new navigator, desperate to keep her secret from the rest of the crew. Malvery is a disgraced doctor, drinking himself to death. So when an opportunity arises to steal a chest of gems from a vulnerable airship, Frey can't pass it up. It's an easy take—and the payoff will finally

make him a rich man. But when the attack goes horribly wrong, Frey suddenly finds himself the most wanted man in Vardia, trailed by bounty hunters, the elite Century Knights, and the dread queen of the skies, Trinica Dracken. Frey realizes that they've been set up to take a fall but doesn't know the endgame. And the ultimate answer for captain and crew may lie in the legendary hidden pirate town of Retribution Falls. That's if they can get there without getting blown out of the sky.

Retribution Falls Hachette UK

On the eve of Sara Jenkins's move to Greensburg, Kentucky, her dad makes two seemingly harmless requests with dangerously

unintended consequences. Everything in her life will change as dark forces seek to destroy both Sara and her family with no apparent motive. Old wounds are reopened that threaten to rip her family apart from within. Her handsome new neighbor, Jason Grimes, works tirelessly to help Sara solve the mystery as his efforts to save her life draw him into the center of the deadly storm. Has Sara found the love of her life only to lose him? Only through their faith and the protection of Jesus can Jason and the Jenkins' family emerge stronger and victorious over those who seek their destruction. This novel is a work of fiction written from a Christian perspective. Any resemblance to real persons or places is coincidental.

The Escapement Hachette UK

When an engineer is sentenced to death for a petty transgression of guild law, he flees

the city, leaving behind his wife and daughter. Forced into exile, he seeks a terrible vengeance -- one that will leave a trail of death and destruction in its wake. But he will not be able to achieve this by himself. He must draw up his plans using the blood of others... In a compelling tale of intrigue and injustice, K. J. Parker's embittered hero takes up arms against his enemies, using the only weapons he has left to him: his ingenuity and his passion -- his devices and desires.

The Root of All Evil Orbit Books

The baffling age-old question, if there is a good God, why is there evil in the world? has troubled ordinary people and great thinkers for centuries. God, Power, and Evil illuminates the issues by providing both a critical historical

survey of theodicy as presented in the works of major Western philosophers and theologians--Plato, Aristotle, Plotinus, Augustine, Aquinas, Spinoza, Luther, Calvin, Leibniz, Barth, John Hick, James Ross, Fackenheim, Brunner, Berkeley, Albert Knudson, E. S. Brighton, and others--and a brilliant constructive statement of an understanding of theodicy written from the perspective of the process philosophical and theological thought inspired primarily by Alfred North Whitehead and Charles Hartshorne. Sharps Princeton University Press National Bestseller. Featuring the famous Commander Adam Dalgliesh, *Devices and Desires* is a thrilling and insightfully crafted novel of fallible people caught in a net of secrets, ambitions, and schemes on a lonely stretch of Norfolk coastline. Commander Dalgliesh of Scotland Yard has just published a new book of poems and has

taken a brief respite from publicity on the remote Larksoken headland on the Norfolk coast in a converted windmill left to him by his aunt. But he cannot so easily escape murder. A psychotic strangler of young women is at large in Norfolk, and getting nearer to Larksoken with every killing. And when Dalgliesh discovers the murdered body of the Acting Administrative Officer on the beach, he finds himself caught up in the passions and dangerous secrets of the headland community and in one of the most baffling murder cases of his career.

The Proof House Vintage

The exciting conclusion to K. J. Parker's Scavenger trilogy. Returning to his childhood home was supposed to bring peace for Poldarn. But it was not to be. The island proved no sanctuary from the ghosts of his past, or from the demons that stalk his dreams. Instead, he has unearthed yet more lies, betrayals, and

enemies from his former life. But with each fresh discovery, Poldarn is coming ever closer to the reality of his shadowy origins. One by one, the fragmented memories and obscure clues are falling into place, forming a truth he cannot escape, a past he cannot deny, and a history that may be more than he---or anyone else---can bear.

Facing Evil Harper Collins

COLOURS IN THE STEEL and THE BELLY OF THE BOW, the first two volumes of the Fencer Trilogy, introduced a remarkable new voice in fantasy fiction. THE PROOF HOUSE

is the final volume in K.J. Parker's brilliant Fencer Trilogy. After years spent in the saps under the defences of the apparently impregnable city of Ap' Iscatoy, Bardas Loredan, sometime fencer-at-law and the betrayed defender of the famed Triple City, is suddenly a hero of the Empire. His reward is a boring administrative job in a backwater, watching armour tested to destruction in the Proof House. But the fall of Ap' Iscatoy has opened up unexpected possibilities for the expansion of the Empire into the land of the Plains people, and Bardas Loredan is the one man Temrai the Great, King of the Plains tribes, fears the most... The Two of Swords: Volume Two Hachette UK
Janet Maple's stellar career ended with a lay off and

her boyfriend of almost five years told her that he wants to be just friends. When she lands a job at one of New York's premier boutique investment firms, Janet begins to hope that her luck is finally turning for the better. Not only is she happy with her new paycheck, but things also seem to be looking up on the personal front, as the company's handsome attorney expresses keen interest in Janet. However, her euphoria is short-lived, as Janet soon discovers alarming facts about her new employer's business tactics. When her boss dismisses her suspicions as groundless, Janet finds herself confiding to a cute IT engineer, Dean Snider. The closer she gets to Dean, the more Janet is tempted to break her rule of not dating co-workers, but what she doesn't realize is that everything she knows about Dean, including his occupation and even his name, is a lie. Dennis Walker is a top-notch white collar crime investigator who will stop at nothing to put culprits away. When an opportunity for an undercover assignment at one of New York's premier boutique

investment firms comes up, Dennis jumps at the chance, adopting a persona of geeky IT engineer, Dean Snider. While he may be an ace at his job, years of experience fail him when Dennis meets Janet Maple and finds himself torn between his professional obligations and his personal desires. Will he have to choose between his feelings and duty, or will he find a way to satisfy both?

Sixteen Ways to Defend a Walled City

Orbit

In a place similar to Venice, Italy, two teenaged orphans, apprenticed to a maker of magic mirrors, begin to realize that their fates are tied to the magical protector of the city known as the Flowing Queen and to the ruler of Hell, respectively.

The Company Westminster John Knox Press

1881—Special Agent Gillian Hamilton is a

magic caster with the Federal Bureau of Magic and Steam. He's sent to Shallow Grave, Arizona, to arrest a madman engineer known as Tinkerer, who's responsible for blowing up half of Baltimore. Gillian has handled some of the worst criminals in the Bureau's history, so this assignment shouldn't be a problem. But even he's taken aback by a run-in with the country's most infamous outlaw, Gunner the Deadly.

Gunner is also stalking Shallow Grave in search of Tinkerer, who will stop at nothing to take control of the town's silver mines. Neither Gillian nor Gunner are willing to let Tinkerer hurt more innocent people, so they agree to a very temporary partnership. If facing illegal magic, Gatling gun contraptions, and a wild engineer in

America's frontier wasn't enough trouble for a city boy, Gillian must also come to terms with the reality that he's rather fond of his partner. But even if they live through this adventure, Gillian fears there's no chance for love between a special agent and outlaw. Based on the short story, "Gunner the Deadly." Entirely revised, newly expanded, and Book One in the exciting new steampunk series, Magic & Steam.

Sharps Orbit

A leading public intellectual confronts America's inability to understand--let alone effectively respond to--evil, providing both a language and a strategy for a way forward.

Evil Genes Viking Adult

"A soldier with a gift for archery. A woman who kills without care. Two brothers, both

unbeatable generals, now fighting for opposing armies. No-one in the vast and once glorious United Empire remains untouched by the rift between East and West, and the war has been fought for as long as anyone can remember. Some still survive who know how it was started, but no-one knows how it will end. The Two of Swords is the story of a war on a grand scale, told through the eyes of its soldiers, politicians, victims and heroes"--Amazon.com

Where the Evil Dwells Orbit

In the 1980s, America was gripped by widespread panics about Satanic cults. Conspiracy theories abounded about groups

who were allegedly abusing children in day-care centers, impregnating girls for infant sacrifice, brainwashing adults, and even controlling the highest levels of government. As historian of religions David Frankfurter listened to these sinister theories, it occurred to him how strikingly similar they were to those that swept parts of the early Christian world, early modern Europe, and postcolonial Africa. He began to investigate the social and psychological patterns that give rise to these myths. Thus was born *Evil Incarnate*, a riveting analysis of the mythology of evilconspiracy. The first work to provide an in-depth analysis of the topic, the book uses anthropology, the history of religion, sociology, and psychoanalytic theory, to answer the questions "What causes people collectively to envision evil and seek to exterminate it?" and "Why does the representation of evil recur in such typical patterns?" Frankfurter guides the reader through such diverse subjects as witch-hunting, the origins of demonology, cannibalism, and the rumors of Jewish ritual murder, demonstrating how societies have long expanded upon their fears of such atrocities to address a collective anxiety. Thus, he maintains, panics over modern-day infant sacrifice are really not so different from rumors about early Christians engaging in infant feasts during the second and third centuries in Rome. In *Evil Incarnate*, Frankfurter deepens historical awareness that stories of Satanic atrocities are both inventions of the mind and perennial phenomena, not authentic criminal events. True evil, as he so artfully demonstrates, is not something organized and corrupting, but rather a social construction that inspires people to brutal acts in the name of moral order.

Devices and Desires Oxford University Press

'When so many fantasy sagas are tired, warmed-over affairs, a writer like K.J. Parker is more of a hurricane than a breath of fresh air.' - Dreamwatch 'This is grown-up fantasy blessed with humour, intelligence and... panache. A bravura display of intricate storytelling and artfully-doled-out revelations.' - SFX 'Condemned to death, the engineer Ziani Vaatzes escaped from Mezentia. His implacable determination to return home led him to contrive an intricate plan to bring down the Republic, a plan which requires a war. He regrets the deaths. But he had no choice. Duke Valens dragged his people into the war to save the life of one woman. Then he

killed her husband. Now, allied to the nomadic barbarians who have the manpower to defeat Mezentia, the Duke regrets the evil he's done. But he had no choice. Secretary Psellus never wanted to rule the Republic, or fight a desperate siege for its survival. Trying to make sense of how it all happened, he finds himself compelled to investigate the circumstances of Vaatzes' crime. He is terrified of what he might find out, but he has no choice. The machine has been built. All that remains is to set it in motion. The stunning conclusion to The Engineer Trilogy - a fast-moving mix of politics, action and intelligent world-building - that continues to push the boundaries of fantasy fiction. Books by K.J. Prompted by clues in her sister's diary after her mysterious death, the author takes the reader inside the head of the kinds of malevolent people we all know, perhaps all too well, but could never understand, and puts both a human and scientific face to evil.

Devices and Desires Spectra

The epic concluding volume in The Two of Swords trilogy by World Fantasy Award-winning author K. J. Parker. "Why are we fighting this war? Because evil must be resisted, and sooner or later there comes a time when men of principle have to make a stand. Because war is good for business and it's better to die on our feet than live on our knees. Because they started it. But at this stage in the proceedings," he added, with a slightly lop-sided grin, "mostly from force of habit." A soldier with a gift for archery. A woman who kills without care.
