#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award® – winning actor ’ s unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN “ McConaughey ’ s book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand. ” —Mark Manson, author of The Subtle Art of Not Giving a F\*ck I ’ ve been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life ’ s challenges—how to get relative with the inevitable—you can enjoy a state of success I call “ catching greenlights. ” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it ’ s medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot ’ s license, going to church without having to be born again, and laughing through the tears. It ’ s a love letter. To life. It ’ s also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

A STANDALONE NOVEL that does NOT need to be read in conjunction with any other book. From New York Times bestselling author, Penelope Ward, comes a friends-to-lovers story with sexy new characters. After getting dumped, the last thing I needed was to move next door to someone who reminded me of my ex-boyfriend, Elec. Damien was a hotter version of my ex. The neighbor I ’ d dubbed “ Angry Artist ” also had two massive dogs that kept me up with their barking. He wanted nothing to do with me. Or so I thought until one night I heard laughter coming through an apparent hole in my bedroom wall. Damien had been listening to all of my phone sessions with my therapist. The sexy artist next door now knew all of my deepest secrets and insecurities. We got to talking. He set me straight with tips to get over my breakup. He became a good friend, but Damien made it clear that he couldn ’ t be anything more. Problem was, I was falling hard for him anyway. And as much as he pushed me away, I knew he felt the same...because his heartbeat didn ’ t lie. I thought my heart had been broken by Elec, but it was alive and beating harder than ever for Damien. I just hoped he wouldn ’ t shatter it for good. Author's note – Neighbor Dearest is a full-length standalone novel. Recipes and a Good Life Found in Freedom, Maine American Bar Association  
A raw and funny memoir about sex, dating, and relationships in the digital age, intertwined with a brilliant investigation into the challenges to love and intimacy wrought by dating apps, by firebrand New York Times – bestselling author Nancy Jo Sales At forty-nine, famed Vanity Fair writer Nancy Jo Sales was nursing a broken heart and wondering, “ How did I wind up alone? ” On the advice of a young friend, she downloaded Tinder, then a brand-new dating app. What followed was a raucous ride through the world of online dating. Sales, an award-winning journalist and single mom, became a leading critic of the online dating industry, reporting and writing articles and making her directorial debut with the HBO documentary Swiped: Hooking Up in the Digital Age. Meanwhile, she was dating a series of younger men, eventually falling in love with a man less than half her age. Nothing Personal is Sales ’ s memoir of coming-of-middle-age in the midst of a new dating revolution. She is unsparingly honest about her own experience of addiction to dating apps and hilarious in her musings about dick pics, sexting, dating FOMO, and more. Does Big Dating really want us to find love, she asks, or just keep on using its apps? Fiercely feminist, Nothing Personal investigates how Big Dating has overwhelmed the landscape of dating, cynically profiting off its users ’ deepest needs and desires. Looking back through the history of modern courtship and her own relationships, Sales examines how sexism has always been a factor for women in dating, and asks what the future of courtship will bring, if left to the designs of Silicon Valley ’ s tech giants—especially in a time of social distancing and a global pandemic, when the rules of romance are once again changing.

A poignant tale about one woman ’ s quest to recover her family ’ s history, and a story of loss and survival during the Holocaust. Consie is home for a funeral when she stumbles upon a family letter sent from Germany in 1945, which contains staggering news: Consie ’ s great-uncle Hermann, who was transported to Auschwitz with his wife and three daughters, might have escaped. This seems improbable to Consie. Did people escape from Auschwitz? Could her great-uncle have been among them? What happened to Hermann? Did anyone know? These questions are at the root of Consie ’ s excavation of her family ’ s history as she seeks, seventy years after the liberation of Auschwitz, to discover what happened to Hermann. The Plum Trees follows Consie as she draws on oral testimonies, historical records, and more to construct a visceral account of the lives of Hermann, his wife, and their daughters from the happy days in prewar Czechoslovakia through their internment in Auschwitz and the end of World War II. The Plum Trees is a powerful, intimate reckoning with the past.

NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE UPCOMING NETFLIX SERIES "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

An instant New York Times bestseller! “ Rapinoe's 'signature pose' from the 2019 FIFA Women's World Cup is synonymous to the feeling we got when finishing this book: heart full, arms wide and ready to take up space in this world.” —USA Today Megan Rapinoe, Olympic gold medalist and two-time Women's World Cup champion, reveals for the first time her life both on and off the field. Guided by her personal journey into social justice, brimming with humor, humanity, and joy, she urges all of us to ask ourselves, What will you do with your one life? Only four years old when she kicked her first soccer ball, Megan Rapinoe developed a love — and clear talent — for the game at a young age. But it was her parents who taught her that winning was much less important than how she lived her life. From childhood on, Rapinoe always did what she could to stand up for what was right—even if it meant going up against people who disagreed. In One Life, Megan Rapinoe invites readers on a remarkable journey, looking back on both her victories and her failures, and pulls back the curtain on events we know only from the headlines. After the 2011 World Cup, discouraged by how few athletes were open about their sexuality, Rapinoe decided to come out publicly as gay and use her platform to advocate for marriage equality. Recognizing the power she had to bring attention to critical issues, in 2016 she took a knee during the national anthem in solidarity with former NFL player Colin Kaepernick to protest racial injustice and police brutality—the first high-profile white athlete to do so. The backlash was immediate, but it couldn't compare to the overwhelming support. Rapinoe became a force of change. Here for the first time, Rapinoe reflects upon some of the most pivotal moments in her life and career — from her realization in college that she was gay, through the disputes with soccer coaches and officials over her decision to kneel, to the first time she met her now-fiancé WNBA champion Sue Bird, and up through suing the US Soccer Federation over gender discrimination and equal pay. Throughout, Rapinoe makes clear the obligation we all have to speak up, and the impact each of us can have on our communities. Deeply personal and inspiring, One Life reveals that real, concrete change lies within all of us, and asks: If we all have the same resource—this one precious life, made up of the decisions we make every day—what are you going to do? "One Life makes it clear that Rapinoe ’ s greatest accomplishments may ultimately come away from the soccer pitch. She ’ s a new kind of American hero."—San Francisco Chronicle

When Madeleine Dean discovered that her son, Harry, was stealing from the family to feed a painkiller addiction, she was days away from taking the biggest risk of her life: running for statewide office in Pennsylvania. For years, she had thought something was wrong. Harry was losing weight and losing friends. He had lost the brightness in his eyes and voice, changing from a young boy with boundless enthusiasm for life to a shadow of himself, chasing something she could not see. At first, she chalked it up to maternal worry, but now her worst fears had come to bear. Under Our Roof is the story of a national crisis suffered in the intimacy of so many homes, told with incredible candor through the dual perspectives of a mother rising in politics and a son living a double life, afraid of what would happen if his secret were exposed.
