Dialogue and Conflict Resolution Taylor & Francis

Total quality management (TQM), reengineering, the workplace of the twenty-first century--the 1990s have brought a sense of urgency to organizations to change or face stagnation and decline, according to Enhancing Organizational Performance. Organizations are adopting popular management techniques, some scientific, some faddish, often without introducing them properly or adequately measuring the outcome. Enhancing Organizational Performance reviews the most popular current approaches to organizational change--total quality management, reengineering, and downsizing--in terms of how they affect organizations and people, how performance improvements can be measured, and what questions remain to be answered by researchers. The committee explores how theory, doctrine, accepted wisdom, and personal experience have all served as sources for organization design. Alternative organization structures such as teams, specialist networks, associations, and virtual organizations are examined. Enhancing Organizational Performance looks at the influence of the organization's norms, values, and beliefs--its culture--on people and their performance, identifying cultural "levers" available to organization leaders. And what is leadership? The committee sorts through a wealth of research to identify behaviors and skills related to leadership effectiveness. The volume examines techniques for developing these skills and suggests new competencies that will become required with globalization and other trends. Mergers, networks, alliances, coalitions--organizations are increasingly turning to new intra- and inter-organizational structures. Enhancing Organizational Performance discusses how organizations cooperate to maximize outcomes. The committee explores the changing missions of the U.S. Army as a case study that has relevance to any organization. Noting that a

musical greeting card contains more computing power than existed in the entire world before 1950, the committee addresses the impact of new technologies on performance. With examples, insights, and practical criteria, Enhancing Organizational Performance clarifies the nature of organizations and the prospects for performance improvement. This book will be important to corporate leaders, executives, and managers; faculty and students in organizational performance and the social sciences; business journalists; researchers; and interested individuals.

Getting to Zero John Wiley & Sons

This empowering guide goes beyond observable techniques to offer a close look at the creative internal processes--both cognitive and psychological--that successful mediators and other conflict resolvers draw upon.

University of Michigan Press

The relationship teacher, coach, and founder of The Relationship School reveals the origins of conflict styles, how to stop avoiding difficult conversations, and how to resolve conflict in our most important relationships. Conflicts in our closest relationships are scary because so much is at stake. If the conflict doesn't go well, we could lose our marriage, our family or our job, all connected to our security and survival. So we do just about anything not to lose those relationships, including avoid conflict, betraying ourselves or becoming dishonest. Unresolved conflict affects every single aspect of our lives, from self-confidence to physical and mental health. Jayson Gaddis is a personal trainer for relationships and one of the world's leading authorities on interpersonal conflict. For almost two decades, Gaddis has helped individuals, couples, and teams get to the bottom of their deepest conflicts. He helps people see the wisdom in conflict and how to get to zero--which means we have successfully worked through our conflict and have nothing in the way of a good connection. In *Getting to Zero*, Gaddis shows the reader how to stop running away from uncomfortable conversations and instead learn how to work through them. Through funny personal stories, uncomfortable examples, and effective tools and skills, he shows the reader how to move from disconnection to connection, acceptance, and understanding. This method upgrades the old tired and static conflict resolution approaches and offers a fresh, street-level, user-friendly road map on exactly how to work through conflict with the people you care most about.

Fun Home Simon and Schuster
Emerging Systems of Managing Workplace Conflict presents illustrative real-life examples as well as cutting-edge methods and tools for integrating systems of dispute resolution into standard corporate procedures. This vital resource investigates the systems organizations have developed to manage common and costly workplace conflicts involving supervisor-employee relationships; race, age, and gender discrimination complaints; sexual harassment; occupational safety and health; reasonable accommodation of the disabled; and wrongful termination as well as other problems stemming from governmental regulations and court actions. Drawing on the authors' vast research and frontline experience with a wide variety of corporations and organizations, this important book examines successful responses to universal workplace problems and conflicts. In addition, the book is filled with illuminating case examples and stories from organizations, such as Brown and Root, Kaufman and Broad, Warner Brothers, Universal-Studios, Kaiser Permanente, the United States Postal Service, Johnson & Johnson, Shell, Prudential, and others, that have instituted systems of dispute resolution in response to ongoing destructive conflict, expensive litigation, and crippling settlements. This book offers an enormously useful approach for the application of the most up-to-date systems of organizational conflict resolution and shows how this approach can work in specific situations to save time and money.

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration John Wiley & Sons

Hold anyone accountable. Master performance discussions. Get RESULTS. Broken promises, missed deadlines, poor behavior--they don't just make others' lives miserable; they can sap up to 50 percent of organizational performance and account for the vast majority of divorces. Crucial Accountability offers the tools for improving relationships in the workplace and in life and

for resolving all these problems--permanently. PRAISE FOR CRUCIAL ACCOUNTABILITY: "Revolutionary ideas ... opportunities for breakthrough ..." -- Stephen R. Covey, author of *The 7 Habits of Highly Effective People* "Unleash the true potential of a relationship or organization and move it to the next level." -- Ken Blanchard, coauthor of *The One Minute Manager* "The most recommended and most effective resource in my library." -- Stacey Allerton Firth, Vice President, Human Resources, Ford of Canada "Brilliant strategies for those difficult discussions at home and in the workplace." -- Soledad O'Brien, CNN news anchor and producer "This book is the real deal.... Read it, underline it, learn from it. It's a gem." -- Mike Murray, VP Human Resources and Administration (retired), Microsoft

The Conflict Resolution Toolbox John Wiley & Sons

Problems that "just won't go away" can be settled through methods developed by one of America's leading experts in conflict resolution. In clear language, Weeks shows readers how to turn conflict into lasting partnerships and ensure a fruitful outcome.

Conflict Resolution at Work For Dummies Houghton Mifflin Harcourt

While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work. Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive—where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The HBR Guide to Dealing with Conflict will give you the advice you need to: Understand the most common sources of conflict Explore your options for addressing a disagreement Recognize whether you—and your counterpart—typically seek or avoid conflict Prepare for and engage in a difficult conversation Manage your and

your counterpart's emotions Develop a resolution together Know when to walk away Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

The No Asshole Rule Simon and Schuster

In the past, arbitration, direct bargaining, the use of intermediaries, and deference to international institutions were relatively successful tools for managing interstate conflict. In the face of terrorism, intrastate wars, and the multitude of other threats in the post-Cold War era, however, the conflict resolution tool kit must include preventive diplomacy, humanitarian intervention, regional task-sharing, and truth commissions. Here, Jacob Bercovitch and Richard Jackson, two internationally recognized experts, systematically examine each one of these conflict resolution tools and describe how it works and in what conflict situations it is most likely to be effective. Conflict Resolution in the Twenty-first Century is not only an essential introduction for students and scholars, it is a must-have guide for the men and women entrusted with creating stability and security in our changing world. The Dynamics of Conflict Resolution John Wiley & Sons

The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy you at work. "What an asshole!" How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes...and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own "inner jerk" from coming out The No Asshole Rule is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.

Managing Conflict of Interest in the Public Sector A Toolkit The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration

The Second Edition of this classic resource on conflict resolution

combines research, conceptual models, practitioner experience, and stories that highlight the core conflict competencies. The book underscores the importance for leaders to develop the critical skills they need to help them, their colleagues, and their organizations deal more effectively with conflict and move their organizations forward. This new edition expands on the conflict competence model, includes new tools and techniques, shows how to develop conflict competent teams and organizations, and offers a new online assessment.

The Argument Hangover TarcherPerigee

Learn to effectively resolve conflict the way that works best for you When it comes to real-world conflict resolution, one size does not fit all. In the professional world especially, it's critical for individuals to be prepared for a variety of situations and to know what tools and techniques can be used to settle disputes and disagreements in a way that is respectful of both party's needs. The Conflict Resolution Toolbox shows mediators, negotiators, managers, and professionals at all levels how to simply and effectively assess conflict situations and choose the right tools to resolve the issue in a meaningful way. Understand the why behind the conflict and how it can be resolved Recognize the unconscious judgements and biases that are obstacles to conflict resolution View conflict situations objectively and from multiple viewpoints Learn how the latest neuroscience and behavioral economics research plays a role in conflict resolution With over 25 years of experience in mediation, negotiation, and conflict resolution, author Gary T. Furlong brings to light the intrinsic habits and interpretations that can unwittingly surface and lead to further tension during times of conflict and unrest. This timely update to *The Conflict Resolution Toolbox* marries theory and practice and is a hands-on guide to understanding the root of conflict and selecting the simple strategies for addressing specific scenarios that individuals routinely face in the workplace and in life. Conflict may be unavoidable, but resolution is within reach with the invaluable guidance and techniques found in *The Conflict Resolution Toolbox*. conflict effectively Managing employees and encouraging them to work together toward a common goal is an essential skill that all leaders should possess. Conflict Resolution at Work For Dummies provides the tools and advice you need to restore peace, train your colleagues to get along better with others, prevent conflicts from ever starting, and maintain better productivity while boosting morale. One of the only trade publications that takes the manager's perspective on how to address conflicts, resolve disputes, and restore peace and productivity to the workplace Examines more positive means for resolving conflicts (other than arguing, surrendering, running away, filing a lawsuit, etc.) Helps managers and employees sort through problems and make the workplace a more rewarding place No manager should be without Conflict Resolution at Work For Dummies!

CouchDB: The Definitive Guide National Academies Press

Conflict in the workplace is a perennial problem for organizations. Whether it's a disagreement between colleagues, a dispute with management or large-scale industrial action, conflict negatively affects both people and profits as employee morale and productivity fall. Managing Conflict is an essential guide for HR professionals needing to tackle these problems by not only resolving current issues but also preventing future instances of conflict. Going beyond interpersonal conflict, the book also looks at resolving board room disputes, disputes with shareholders, in the supply chain, commercial disputes and customer complaints. The first part of Managing Conflict covers the causes and costs of conflict, the impact of the psychological contract and the legal framework for managing workplace disputes both in the UK and internationally. The second part of the book provides a blueprint for redefining resolution and building a culture of constructive conflict management, from designing a conflict management strategy and developing a formal resolution process to embedding mediation, engaging stakeholders and training managers in resolution skills. It also includes conflict resolution toolkits for managers, HR teams, employees and unions to help tackle conflict and bullying at work. Packed with best practice case studies from major UK and global organizations, this is an indispensable guide for all HR professionals looking to resolve conflict in the workplace.
