Accounting for churches is not the same as accounting for businesses. A church bookkeeper must be aware of the special tax codes that govern the church's unique tax standing. But it is often hard for overworked or volunteer administrators to know every aspect of tax code that affects their church's ability to accept donations, oversee a benevolence fund, and offer a compensation package for their minister. Lisa London, The Accountant Beside You who brought you QuickBooks for Churches & QuickBooks for Nonprofits, explains the specialized needs of church accounting in an easy-to-understand manner for church administrators and volunteers. A CPA with decades of experience working with businesses as well as churches and other nonprofits, Lisa explains complex concepts in a reader-friendly, engaging manner. She is joined by Vickey Boatright, an accountant who runs THE online site for all things church accounting, [www.freechurchaccounting.com](http://www.freechurchaccounting.com). Together, Lisa and Vickey guide you through every essential aspect of church accounting. Church Accounting: The How-To Guide for Small & Growing Churches is a must-have reference for all the nuts and bolts of church accounting no matter what your accounting system. Lisa and Vickey help you set up accounting spreadsheets and explain the different types of accounting packages. If you are already using QuickBooks, it is also a perfect compliment to QuickBooks for Churches and Other Religious Organizations. In this Second Edition of her bestseller, Christine Sleeter and new co-author Judith Flores Carmona show how educators can learn to teach rich, academically rigorous, multicultural curricula within a standards-based environment. The authors have meticulously updated each chapter to address current changes in education policy and practice. New vignettes of classroom practice have been added to illustrate how today 's teachers navigate the Common Core State Standards. The book 's field-tested conceptual framework elaborates on the following elements of curriculum design: ideology, enduring ideas, democratized assessment, transformative intellectual knowledge, students and their communities, intellectual challenges, and curriculum resources. Un-Standardizing Curriculum shows teachers what they can do to "un-standardize" knowledge in their own classrooms, while working toward high standards of academic achievement. Book Features: Classroom vignettes to help teachers bridge theory with practice in the context of commonly faced pressures and expectations.Guidance for teachers who want to develop their classroom practice, including the possibilities and spaces teachers have within a standardized curriculum.Attention to multiple subject areas and levels of schooling, making the book applicable across a wide range of teacher education programs.A critique of the tensions between school reforms and progressive classroom practice. " This second edition is a game changer for educators interested in powerful curriculum engineering to support new century students " —H. Richard Milner IV, Helen Faison Endowed Chair of Urban Education, University of Pittsburgh " This text breaks new ground with a timely contribution that provides solid, potentially emancipatory grounding for a new, inclusive, research-based vision of curriculum, assessment, schools, and society. " —Angela Valenzuela, author " This is a book that teachers, teacher educators, policymakers, and researchers will continue to return to for guidance and inspiration. The purpose of this research is to investigate stereotypes as a way of understanding intense interpersonal and inter-group conflict between American Jews and Israeli immigrants living in the larger Jewish community of South Florida. The reasons for this inter-group conflict make for a complicated story. The major assumption being made here is that the conflict can be seen in the stereotypes, prejudices and impressions held by these two groups about themselves and each other. This study also seeks to determine the dominant stereotypes of Israeli immigrants to the U.S., or Yordim, to reach some understanding of the conflict between Yordim and American Jews.
