essay questions

Short Answer Questions. Short  
answer questions are almost  
harder to write than a personal  
essay, since you usually have a  
word limit. Often, this may be as  
short as 150 words (a paragraph).  
This means that your answers  
must be clear and concise  
without being so bare bones that  
you don't seem to have a  
personality.
