Affordable Excellence Pearson College Division

The Ever-Changing Mold of Modern Business Communication. Business Communication Today continually demonstrates the inherent connection between recent technological developments and modern business practices.

Business Communication by Sanjay Gupta (SBPD Publications) Brookings Institution Press
KEY BENEFIT: With its real-life examples and cases, and its lively, conversational writing style, Bovee/Thill/Mescon brings concepts to life and prepares students for obtaining and pursuing satisfying business careers. KEY TOPICS: Bovee/Thill/Mescon weaves a four-part pedagogical tool through out each chapter. It starts with Orient, which outlines what is going to be covered in the chapter and then connects these topics with a "role-model" business professional. Next is Explore, which looks at the skills that their "role-model" used in order to be successful. Third is Confirm, which revisits what they have learned in the chapter. And, finally, Apply allows students to use the skills they have learned in the chapter. MARKET: For introductory level business students.

The Singapore Healthcare Story Cengage Learning

An essential and useful tool for anyone interested in developing better business communication skills; human resource personnel, managers, and office workers will find interactive book especially helpful.

Business Communication CRC Press

Communication is easy isn't it? Well it may seem so, but consider honestly when was the last time you were involved in a breakdown of communications? And how long ago was one such a veritable derailment? For most people and in most organizations this happens regularly. It matters. Communication - effective communication - makes things happen. There can be a great deal hanging on it. Whether the communication concerned is a simple email, a contribution to a meeting, a report or a presentation, it can prompt agreement or action, it can seal a good deal; drive a hard bargain and enhance your profile and boost your reputation as it does so. Or not: for instance making a poor presentation may do real damage and allow no second chances, and an ill-considered report may come back to haunt you in months to come. This book is an antidote to communications difficulty. It sets out proven, practical guidelines to ensure you can prepare (and prepare quickly) and deliver messages in a clear, succinct, precise, descriptive, informative, and impressive way - and that they are effective. That is, they achieve your purpose with others, however technical, complex or difficult the topics they may involve. Take no risks. Guarantee communications success and enhance your profile as you do so.

Business Communication for Success SBPD Publications

A Brookings Institution Press and the National University of Singapore Press publication This is the story of the Singapore healthcare system: how it works, how it is financed, its history, where it is going, and what lessons it may hold for national health systems around the world. Singapore ranks sixth in the world in healthcare outcomes, yet spends proportionally less on healthcare than any other high-income country. This is the first book to set out a comprehensive system-level description of healthcare in Singapore, with a view to understanding what can be learned from its unique system design and development path. The lessons from Singapore will be of interest to those currently planning the future of healthcare in emerging economies, as well as those engaged in the urgent debates on healthcare in the wealthier countries faced with serious long-term challenges in healthcare financing. Policymakers, legislators, public health officials responsible for healthcare systems planning, finance and operations, as well as those working on healthcare issues in universities and think tanks should understand how the Singapore system works to achieve affordable excellence.
