No Excuses: Existentialism And The Meaning Of Life by ...

Solomon's existentialism is basically Sartre's. He

ambitiously wants to include Nietzsche,

Heidegger in this movement and introduce

American audiences to them, and he does a

pretty dang good job. I recommend it as

introductory (not this book though).

Existentialism | Robert C. Solomon | download

"A book not recommended for beginners" Having taken an interest in existentialism and having read a few books on the topic, I thought I could not miss this compilation with Robert C. Solomon, a prolific author in philosophy books and a professor of Philosophy at the University of Texas at Austin, as the author. The introduction was a surprise that it read like a sarcastic and hostile attack to existentialism.

Robert C. Solomon - Wikipedia

Professor Solomon's style is lucid and genuinely heartfelt. He allows the philosophers to speak in their own words, while he guides us through the multifaceted nuances of Existentialism. It is like having a good friend as teacher and mentor. Read this book before you read any other on the topic. Highly recommend. Linda Punzo

A message to Robert Solomon

John Shand enjoys a collection of essays about existentialism. This is an eclectic collection of extracts, as befits the decision of the editor, Robert C. Solomon, not to define 'existentialism' tightly. Existentialism is undoubtedly tricky to define, but Solomon must have had something in mind when he put together this collection other than just following what people habitually call 'existentialism'.

Existentialism. Second Edition. Edited by Robert C. Solomon. Description.

Existentialism, 2/e, offers an exceptional and accessible introduction to the richness and diversity of existentialist thought. Retaining the focus of the highly successful first edition, the second edition provides extensive material on the "big four" existentialists--Kierkegaard, Nietzsche, Heidegger, and Sartre--while also including selections from twenty-four other authors.
