EXMARK - Mowpart.com
Here is some information about the Exmark Explorer zero turn mower. To order parts for your Explorer, you'll need to know the machine's model number and serial number. You should find the serial number plate on the right side of the mower, on the rear frame gusset. The mower deck has a separate serial number plate that's either just to the inside of the rear edge of the right blade guard, or somewhere on the right side of the deck.
