During Paul's ministry, Corinth was a newly rebuilt, bustling, important city in the Roman Empire. It was a place full of pride, individualism, wealth, and religious pluralism. No wonder its inhabitants held little regard for Paul's message! Sound familiar? Our

contemporary culture has much in common with ancient Corinth. The relevance of this book to churches today is astounding. Paul delivers powerful theology that turns the values of the ancient Roman world upside-down-the grace of God, the centrality of the cross, and God's power made perfect in weakness. He challenges us to live counterculturally. In this commentary on 2 Corinthians, Pastor R. Kent Hughes carefully examines this letter from the apostle Paul to the church in Corinth, continuing to provide rich biblical insight for the body of Christ. Part of the Preaching the Word series.

Bible times and characters from Joseph to the Exodus Crossway
"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999
Acclaimed for its masterful new translation and insightful commentary, The David Story is

a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God ' s Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) " Gospel Glimpses " highlight the gospel of grace throughout the book; (3) " Whole-Bible Connections " show how any given passage connects to the Bible ' s overarching story of redemption, culminating in Christ; and (4) " Theological Soundings " identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and

church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. In his second letter to the church at Corinth, the apostle Paul defends the authenticity of his authority and teaching, helping his readers see that the gospel is full of seemingly paradoxical truths—strength from weakness, life through death, and comfort in affliction. Highlighting how the gospel confronts our own culture's expectations and drawing implications for all of life, Dane C. Ortlund helps us discover the truth that the gospel humbles the powerful while strengthening the weak

We hope it will give you a great reading experience! The Lectures on Faith were originally prepared as materials for the School of the Prophets in Kirtland, Ohio in 1834 and were included in the Doctrine and Covenants from 1835 to 1921. Although the Lectures on Faith have never been

accepted as revelation by the body of the church (and so were removed from the Doctrine and Covenants in 1921), they contain important doctrinal insights that can help anyone seeking to learn more about faith and come closer to Heavenly Father and Jesus Christ. President Joseph Fielding Smith noted, " I suppose that the rising generation knows little about the Lectures on Faith. . . . In my own judgment, these Lectures are of great value and should be studied. . . . I consider them to be of extreme value in the study of the gospel of Jesus Christ. " (Joseph Fielding Smith, Seek Ye Earnestly. Salt Lake City: Deseret Book, 1970.) Elder Bruce R. McConkie of the Quorum of the Twelve Apostles has stated the lectures contain " some of the best lesson material ever prepared on the Godhead; on the character, perfections, and attributes of God; on faith, miracles, and sacrifice. They can be studied with great profit by all gospel scholars. " (Bruce R. McConkie, Mormon Doctrine. Salt Lake City: Bookcraft, 1966.) Knowable Word Thomas Nelson 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive

spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £ 10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey

introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.
