Improving Suspension Performance with Bilstein. We were in the same pickle with our 2012 Expedition Project Truck, and turned to Bilstein's 4600 Series Front Struts and 4600 Series Rear Struts for help. These gas-charged monotube struts improved response, reduced fade, and are a lot tougher than the stock assemblies.

An expedition Land Rover needn't be an overly expensive beast. The stock version of the Defender performs very well in harsh environments, but a few select additions can turn the well designed Defender into a more reliable and useful vehicle. You could go all the way with modifications to make sure there is a piece of equipment added for every eventuality, but if you're on a budget (as most of ...
