Star Wars, the Empire Strikes Back Mix Or Match Storybook Wesleyan University Press Celebrate the magic of Christmas in Haven Point with New York Times bestselling author RaeAnne Thayne, where hope, home, and happily-ever-after are as close as your holiday stocking Christmas is the last thing Cole Barrett is thinking about this year. He's barely hanging on trying to care for his two grieving children since his ex-wife died in a tragic accident. For the reclusive Cole, this is no time for gift-giving and celebrationand certainly not for a sunny-natured optimist to blow into his screwed-up life. In the years since her cancer treatments, physician Devin Shaw has researched the curative powers of Lake Haven's mineral waters. Unfortunately, the hot springs are on Barrett property, forcing Devin to strike a bargain with the ranch's attractively gruff owner: she'll give Cole's children the magical Christmas they deserve, and Cole will allow her patients access to the springs. But can she work her holiday magic to heal the Barrett family's battered heartsand her own?

Parallel Botany Random House Books for Young Readers On January 12, 2600, the robot Nuwoman blasts off from the surface of the Moon in a spacecraft called Earth Messenger. Inspired by Interface, Nuwoman directs her Starship towards the Alpha Centauri Star System where Interface is waiting for her. Nuwoman ignores warnings from the Starship ' s computers and meets the occupant of the Space Probe. Interface and Nuwoman decide to join forces and go in the Space Probe to the Andromeda Galaxy to make the Alien World. At last, here is an Empire where the Sun is monitored and controlled so that it can shine for an extended period of time. This is an Empire where dust is converted to consciousness, not only in the worlds of the Milky Way Galaxy, but in the neighbouring Andromeda Galaxy, too. There is even further potential to extend the Empire by bringing consciousness to all the galaxies of the universe. With consciousness existing across millions of Fields of Knowledge on Earth and all over the universe, the scene is set for Mind to monitor and control the vast resources of Matter in the universe. In short, the Mind Stars in the Fields of Knowledge will understand and coexist with the Matter Stars and planets of the galaxies.

This handsome collector's volume brings together for the first time the best of Karl Kofoed's hugely popular and long-

running feature in Heavy Metal magazine. Some 200 color illustrations illuminate an enchanting text depicting our species' advance through the galaxy alongside our companions in the Galactic Federation - the Tsailerol, the Noron, and most recently the just-encountered species, WO. There are extended features on bizarre mysteries of the cosmos, on the strange lifestyles of the creatures found in even stranger worlds, on the music of other species, and much more. All gorgeously illustrated by a master hand, this highly imaginative book offers ideas for a thousand science-fiction novels. *Barlowe's Inferno* Collins & Brown With a verisimilitude Hieronymus Bosch would have admired, Wayne Barlowe renders his latest visual nightmare in a startling yet classic style. Fifteen new paintings, along with numerous drawings, portray a world of warriors, hellish beasts, and infernal landscapes. With its heavy stock, embossed cover, and button-tie closure, this book resembles an authentic portfolio. **A Pop-up Book** Random House (NY) Between the worlds and across the eons runs the Maze—a pathway to all space and time. Its Masters know its secret and guard it—but now the monstrous Chulpex are using it to swarm across the galaxy and ravage Earth. Only one man, chosen by the Masters, can stop them. "Maybe his best sf novel." —Conlang.org Avram Davidson was a Hugo Award-winning novelist, short story writer, and essayist. With nineteen novels and hundreds of short stories and essays to his name, he won the World Fantasy Award three times. His science fiction and fantasy works are considered a cornerstone of their genres. **Star Wars** Turtleback In The Art of NASA, ultra-rare artworks illustrate a unique history of NASA hardware and missions from 1958 to today, giving readers an unprecedented look at how spacecraft, equipment, and missions evolved--and how they might have evolved. The Art of NASA Balboa Press Cryptozoologicon is a celebration of the myths, legends, evolution and biology of hidden animals. Always sceptical, but always willing to indulge in speculative fun, Cryptozoologicon aims to provide a new way to approach cryptozoology: as fictional biology. *The Alien World* Workman Publishing Company "Leo Lionni here presents ... Designing a creature that can survive in a world, interact with its own and other species, and go on to make an impact, is designing with intent--the end goal of creature design and what you'll witness in this latest book from industry veteran Terryl Whitlach.With decades of experience in the entertainment industry, developing creatures for Star Wars: Episode 1--The Phantom Menace and Beowulf , among other projects, she offers valuable advice on how to develop otherworldly beings that are not just stunning in appearance, but also possess qualities that will endear viewers to them, or repulse, if that's the intent. For Whitlatch, there's no limit to what can be imagined with an open mind, though the journey may not always be an easy one. It's what she calls "chasing the unicorn." We will surely enjoy joining her on her journey, filled with creatures that are so vivid, whimsical, and elaborate that we will wish--or wonder if--they are real. **A Natural Haven for Body, Senses and Spirit** Tor Books World-renowned science fiction and fantasy artist Wayne Barlowe is known for his extraordinarily imaginative depictions of alien creatures and fantastic landscapes, creating eerily surreal and disturbing visions. This collection covers the whole breadth of his work, including many pieces that have never been seen before.
