Kenya Gazette The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions,

disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the	relationship between you and your clients, colleagues and the courts. Kenya Gazette A Guide to the Project Management Body of Knowledge (PMBOK Guide) provides generalized project management guidance applicable to most projects most of the time. In order to apply this generalized guidance to construction projects, the
---	---	---

<p>Project Management Institute has developed the Construction Extension to the PMBOK Guide. This Construction Extension provides construction-specific guidance for the project management practitioner for each of the PMBOK Guide Knowledge Areas, as well as guidance in these additional areas not found in the PMBOK Guide: * All project resources, rather than just human resources *</p>	<p>Project health, safety, security, and environmental management * Project financial management, in addition to cost * Management of claims in construction This edition of the Construction Extension also follows a new structure, discussing the principles in each of the Knowledge Areas rather than discussing the individual processes. This approach broadens the applicability of the Construction Extension by increasing the</p>	<p>focus on the "what " and "why " of construction project management. This Construction Extension also includes discussion of emerging trends and developments in the construction industry that affect the application of project management to construction projects.</p>
