For many, the college experience is defined by drinking, sex, impulsive decision-making, and a journey of self discovery. It's packaged as a consequence-free zone to have the "best time of your life." But the reality is that what happens in college doesn't stay in college. There are real, lasting consequences to your decisions. Student ministry leaders Ben Trueblood and Brian Mills have seen this firsthand. With decades of student-ministry leadership under their belts, they have seen too many lives fall apart because of the world's view of what the college experience should be. You don't have to have that kind of college experience. Fortunately, just as the gospel redeems all of life, the gospel redeems the college experience. It tells us there is another way. In this book, Ben and Brian provide a biblical and practical guide for how you can have a fun, joy-filled, and spiritually enriching college experience while avoiding the pitfalls that have captured so many before you.

The Bible, in and of itself, is a miracle. Think about it -- over centuries of time, God supernaturally moved upon a number of men's hearts, resulting in them writing down the exact words of God. God then led His people to recognize these divine writings and to distinguish them from everything else that has ever been written. Then God's people brought these 66 books together. The preservation and survival of the Bible is as miraculous as its writing. Then God gave men technological knowledge to copy and transmit the Bible so that all people could have it. All of this took place because God has something to say to you.
