I gave it three stars instead of one because a few of the

"explosive growth tips" are good. I'm definitely part of his target audience as I don't plan to start a huge corporation (actually, I hate the corporate world), so a lot of the tips are useless to me.

When I read the title of Cliff Lerner’s book, Explosive Growth: A Few Things I Learned While Growing to 100 Million Users — and Losing \$78 Million, I chuckled to myself. In an era where it seems like every business or marketing book is focused on success, here was an author using his abysmal failure

to speak to his audience.
