However, I spent a lot of time on things that I never ended up needing. Then, when my husband wanted to improve his English, we tried many different courses. But none of them worked. They were filled with: Too much boring grammar Vocabulary that he would never use No interaction or practice WE KNOW OTHER BILINGUAL FAMILIES HAVE THE SAME PROBLEM There had to be a better way! Vocabulary words with bright pictures. A book that can be read as a family, regardless of age. Visuals that help younger learners easily participate (before they can read). Faster speaking results than traditional grammar-based programs. An increase in overall comprehension as they pick-up everyday words. HOW IS A BOOK INTERACTIVE? Not just a picture book, Learn English Around the House Book 1 for Native Spanish Speakers,

makes beginner students (children, teens, and adults!) use the information right away. Vocabulary is replaced by pictures through the book. Students have to orally say the vocabulary as they read aloud. It sounds much easier than it is! They are not just repeating words from the paper. Instead, they have to recall the correct English vocabulary word as they read. This strategy is meant to help students retain the information quicker, and for a longer period of time. When students have to stop and think, (or flip back to the vocabulary page), it sends a message to their brains. The brain understands that trying to find this word means that it must be important. And the brain holds on to important information. AN ENTIRE SERIES OF ENGLISH LANGUAGE BOOKS FOCUSED ON THE HOME Once you finish this book, make sure you read the next
