A Reference Grammar of Spanish is a comprehensive handbook on the structure of the Spanish language. Keeping technical terminology to a minimum, it provides a detailed yet clear point of reference on all the intricacies of Spanish grammar, covering word order, parts of speech, verb use, syntax, gender, number, alphabet, and pronunciation. Accompanied by a wealth of carefully chosen examples, it looks at Spanish in Iberia, the USA, Mexico, and Argentina, and demonstrates the differences between these varieties. It is designed specifically with English-speaking learners in mind, and contains useful tools such as a glossary of terms, an index, and a detailed examination of different registers of the language. Clearly structured and systematically organised, this volume is set to become the standard guide to the grammar of contemporary Spanish, and will be an invaluable resource for teachers and students, as well as a practical supplement to textbooks and classroom study.

¡ ven Conmigo! Holt McDougal

A brilliantly illuminating portrait of the twenty-first-century West—a book as vast, diverse, and unexpected as the land and the people, from one of our foremost chroniclers of migration The economic boom—and the devastation left in its wake—has been writ nowhere as large as on the West, the most iconic of American landscapes. Over the last decade the West has undergone a political and demographic upheaval comparable only to the opening of the frontier. Now, in Desert America, a work of powerful reportage and memoir, Rub é n Mart í nez, acclaimed author of *Crossing Over*, evokes a new world of extremes: outrageous wealth and devastating poverty, sublime beauty and ecological ruin. In northern New Mexico, an epidemic of drug addiction flourishes in the shadow of some of the country's richest zip codes; in Joshua Tree, California, gentrification displaces people and history. In Marfa, Texas, an exclusive enclave triggers a race war near the banks of the Rio Grande. And on the Tohono O'odham reservation, Native Americans hunt down Mexican migrants crossing the most desolate stretch of the border. With each desert story, Mart í nez explores his own encounter with the West and his love for this most contested region. In the process, he reveals that the great frontier is now a harbinger of the vast disparities that are redefining the very idea of America.

Desert America McGraw-Hill Education

The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

Recent trends in syntax and morphology have shown the great importance of doing research on variation in closely related languages. This book centers on the study of the morphology and syntax of the two major Romance Languages spoken in Latin America from this perspective. The works presented here either compare Brazilian Portuguese with European Portuguese or compare Latin American Spanish and Peninsular Spanish, or simply compare Portuguese and its varieties with Spanish and its varieties. The chapters advance on a great variety of theoretical questions related to coordination, clitics, hyper-raising, infinitives, null objects, null subjects, hyper-raising, passives, quantifiers, pseudo-clefts, questions and distributed morphology. Finally, this book provides new empirical findings and enriches the descriptions made about Portuguese and Spanish Spoken in the Americas by providing new generalizations, new data and new statistical evidence that help better understand the nature of such variation. The studies contained in this

book show a vast array of new phenomena in these young varieties, offering empirical and theoretical windows to language variation and change.

Nexos Media Edition offers total flexibility for a variety of course settings. Whether your course is a traditional classroom course, a hybrid course (combination of classroom and online instruction), or taught completely online, Nexos Media Edition offers solutions via a unique combination of print and digital components. These carefully integrated resources can be combined in any way to address individual course needs. The print components include a paperback text and supporting Student Activities Manual (SAM). The digital components include a robust interactive multimedia eBook and eSAM (housed in either Eduspace or Blackboard/WebCT) that provide an array of media capabilities. Developed as an integrated program, the print and digital options can be mixed and matched to address individual course needs. In addition, students may purchase a static, downloadable PDF eBook. Offering seamless integration of the National Standards for Foreign Language Learning, Nexos Media Edition includes all of the features of the print text to prepare introductory Spanish students to communicate meaningfully in interpersonal, interpretive, and presentational modes. Through realistic pacing of material, easy-to-use grammar, practical vocabulary, and a modern video story line that contextualizes grammar and vocabulary, the program provides rich linguistic and cultural content that engages students and promotes language learning. Situations, vocabulary, and activities throughout the text reflect a technologically up-to-date, Internet-proficient Spanish-speaking world that appeals to today's students.
