Ven Conmigo! Holt Rinehart & Winston

A Reference Grammar of Spanish is a comprehensive handbook on the structure of the Spanish language. Keeping technical terminology to a minimum, it provides a detailed yet clear point of reference on all the intricacies of Spanish grammar, covering word order, parts of speech, verb use, syntax, gender, number, alphabet, and pronunciation.

Accompanied by a wealth of carefully chosen examples, it looks at Spanish in Iberia, the USA, Mexico, and Argentina, and demonstrates the differences between these varieties. It is designed specifically with English-speaking learners in mind, and contains useful tools such as a glossary of terms, an index, and a detailed examination of different registers of the language. Clearly structured and systematically organised, this volume is set to become the standard guide to the grammar of contemporary Spanish, and will be an invaluable resource for teachers and students, as well as a practical supplement to textbooks and classroom study.

The series Studies in Language Change presents empirically based research that extends knowledge about historical relations among the world's languages without restriction to any particular language family or region. While not devoted explicitly to theoretical explanations, the series hopes to contribute to the advancement in understandings of language change as well as adding to the store of well-analysed historical-comparative data on the world's languages.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

The American Bookseller Holt Rinehart & Winston

Experienced Waldorf ring Spanish language teaching to bright light in this invaluable book. Rich with imaginative ideas on how to help students learn the language and hear the culture woven into the language is the gift of this book. Poems, songs, games, and vocabulary building stories are some of the treasure trove offered in this good book! Foreign language teaching is challenging in America where English is the only language we hear in most areas. To open the hearing of students to listen for the rhythms, the music, and the meaning in Spanish is the goal of the good teachers who wrote this book for us.

The Nassi/Levy Spanish Three Years Pearson School K12

A state-of-the-art, in-depth survey of the topics, approaches and theories in Spanish linguistics today. The language is researched from a number of different perspectives. This Handbook surveys the major advances and findings, with a special focus on recent accomplishments in the field. It provides an accurate and complete overview of research, as well as facilitating future directions. It encourages the reader to make connections between chapters and units, and promotes cross-theoretical dialogue. The contributions are by a wide range of specialists, writing on topics including corpus linguistics, phonology and phonetics, morphosyntax, pragmatics, the role of the speaker and speech context, language acquisition and grammaticalization. This is a must-have volume for researchers looking to contextualize their own research and for students seeking a one-stop resource on Spanish linguistics.

Alianzas Expresate

Recent trends in syntax and morphology have shown the great importance of doing research on variation in closely related languages. This book centers on the study of the morphology and syntax of the two major Romance Languages spoken in Latin America from this perspective. The works presented here either compare Brazilian Portuguese with European Portuguese or compare Latin American Spanish and Peninsular Spanish, or simply compare Portuguese and its varieties with Spanish and its varieties. The chapters advance on a great variety of theoretical questions related to coordination, clitics, hyper-raising, infinitives, null objects, null subjects, hyper-raising, passives, quantifiers, pseudo-clefts, questions and distributed morphology. Finally, this book provides new empirical findings and enriches the descriptions made about Portuguese and Spanish Spoken in the Americas by providing new generalizations, new data and new statistical evidence that help better understand the nature of such variation. The studies contained in this book show a vast array of new phenomena in these young varieties, offering empirical and theoretical windows to language variation and change.

The Cambridge Handbook of Spanish Linguistics Holt Rinehart & Winston

For intermediate and advanced Spanish language students, this book contains a collection of 125 Spanish crosswords with English clues. Play these crosswords alongside your language studies to improve your vocabulary while enjoying the challenge of completing each puzzle. Level 3 selects from an unlimited pool of words in common usage to create the crosswords and has a larger vocabulary than the Level 1 and 2 books.
