An extended metaphor is a metaphor in a literary work, such as a novel or poem, that isn't just used in one line but is extended over multiple lines or throughout the work. A metaphor is the applying of a word or phrase to something that's not literally related in order to suggest a resemblance, as in She's a walking dictionary (she's not literally a dictionary, but her vocabulary resembles one).

Extended metaphors take on a whole new level of charm. These are metaphors that are mentioned once in a body of text and then referenced again and again later on. For example, if the line about the flames and lightning bolts was introduced at the start of a paragraph, it can be referred to again later in the paragraph, or anywhere in the text.

An extended metaphor is a rhetorical

technique that explains a concept by directly mentioning another concept and drawing multiple parallels between them. It is often used to explain a complex idea — allowing readers or listeners to visualize it in terms that they already understand.

[Papers Solution: Examples of an extended metaphor essay ...](#)

An extended metaphor is a metaphor that is developed in great detail. The amount of detail can vary from that of a sentence or a paragraph, to encompassing an entire work. In an extended metaphor, the author takes a single metaphor and employs it at length, using various subjects, images, ideas and situations.

Eleventh grade Lesson Extended Metaphor Essay, Day One

1 Introduction. In many of its contemporary versions, one of the central postulates of cognitive metaphor theory is that all abstract concepts ultimately derive from our immediate experience of physical action and perception: "Meaning is grounded in our bodily experience" (Johnson, 2007, p. 12; Kövecses, 2005, p. 18). The thinking which underlies this claim is that many abstract concepts ...

Extended Metaphor Paper

This paper establishes both full and simplified models for the textual analysis of metaphor in a translation context (Section 1). I present the comparison theory of metaphor (Section 2), show how this can be integrated with the notions of lexicalization and non-lexicalization (Section 3) and consider the semantic purposes of metaphor (Section 4).

Between extended metaphor and allegory: is blending enough ...

This paper deals with the question of whether metaphors are sufficient for the fulfillment of philosophical tasks, and, if they are, which cognitive or

methodological place metaphors can have within philosophical discourse. We can distinguish three attitudes toward metaphors. First is the general rejection of metaphors in philosophy.

How to Write Extended Metaphor Poems | Pen and the Pad

Conceit can refer to a particularly fanciful or even strained extended metaphor: However, for some people (and literary critics in particular) the word conceit carries the connotation of a fanciful or elaborate extended metaphor in which an unlikely, far-fetched, or strained comparison is made between two things. The term is most often used to refer to such metaphors in Renaissance literature and the poetry of the 17th century (such as "metaphysical poetry").
