About the Author NANCY WERLIN was
born in Massachusetts, where she still
lives. In writing for teenagers, she always
strives to combine the emotional intensity
of a coming-of-age story with the page-
turning tension of a suspense thriller.

Extraordinary is Nancy Werlin 's second
foray into the genre of fairy tale/magical

Nancy Werlin's Impossible was so
good, I had to get Extraordinary. The
same vague description, the same
steady unveil of vital plot information,
and the same supernatural culprits.
The story is certainly different from
the first book, and not at all a sequel,
but you will certainly notice some
similarities from the start of the book.
