Suzuki Carry Free Workshop and Repair Manuals
hello guys, j-six here mates, currently i have a super

carry with an f10 in it. it's an 89 model, similar to brandon's suzuki pimped every. i need to ask you a couple of questions prior to engine swap. considering that f10a is a carby and the k10a is a efi engine, and omg, i guess my '89 carry model has poorer power to weight ratio esp if my family rolls with me.
