Renew yourself and others through the powerful energy-based practice of Reiki-even if you are starting as an absolute beginner. Science has now confirmed that there is an energy that permeates our bodies, and Reiki is one way to enhance the flow of this energy. As much as the media portrays wellness as something external, you have the power to revolutionize your health from within. Your body is in a constant state of maintaining balance, and its Reiki energy can fix and repair. Consider Reiki as the intelligent life force that connects you to what you need. When a practitioner performs a Reiki session, the energy emanating from their hands produces a measurably higher bio-magnetic reading than a non-practitioner. Not only is Reiki a wellness system, but it is also a way to increase your awareness, insight, wisdom, and personal growth-as well as reduce stress, fear, and anxiety. And if you think Reiki is a difficult practice available to only a few, think again! It is easy to hone and practice, and it benefits the practitioner as well as the recipient! Think of this book as a complete, detailed guide that will take you through Usui Reiki Levels I, II, and Master. By completing this course, you will be able to perform Reiki on yourself and others. Within its pages, you will discover: ? The fascinating history of Reiki-its principles, how attunement works, applications and uses, and Reiki anatomy ? Reiki Level I: how to work with Reiki for yourself and others, including groups, babies, children, and people in palliative care ? Reiki Level II: applications, symbols, distance Reiki, combining Reiki with other health modalities, and animal Reiki techniques ? Master Level: featuring the traditional Usui Reiki Master symbol and non-traditional symbols, attunement ceremonies, and preparing for and performing Reiki attunements ? How to perform each attunement separately-Level I First Attunement and Second, Third, and Fourth Attunements, Level II Attunement, and Master Level Attunement ? Distance Reiki: using your body as a surrogate, visualization, and creating your mental Reiki room ? Advanced Reiki techniques-psyhic surgery, a powerful technique for releasing imbalances, and accessing different levels of consciousness with the CKR symbol ? How to access Reiki at different levels of consciousness-using Reiki in spaces, Reiju meditation for yourself and others, distance Reiju, and living Reiki And so much more. The media

often portrays Reiki as something mysterious, inaccessible, and secretive. However, it is a powerful way of tapping into your own existing energy. You have all you need to connect your higher self with everything around you. If you are ready to unlock the power of Reiki energy to create balance within yourself and others, let's begin our journey together.

An illuminating guide to one of the fastest-growing spiritual healing practices in the world and an essential tool for anyone ready to bring healing into his or her life. Perhaps the gentlest healing therapy in the world, Reiki originated in early twentieth-century Japan. In this indispensable guide to Reiki, one of the foremost experts traces the origin and development of the practice, detailing how and why it restores and renews the human body in ways we've only begun to understand. A pioneer in bringing Reiki into mainstream medical practice, Miles draws on her unique background to explain how this therapeutic technique, which involves a gentle laying on of the hands, complements conventional medical treatments and can hasten recovery from invasive surgical procedures, as well as ease the symptoms of cancer, insomnia, depression, anxiety, and other conditions. With compassion, wisdom, and the accumulated experience that comes from nearly twenty years as a Reiki practitioner, Pamela Miles empowers readers by showing how simple it is to take.

**Liberate Your Reiki!** Reiki: Transmissions of Light

Reiki is an ancient and profoundly simple system of "laying on of hands" healing derived from Tibetan Buddhism. In the West, Reiki has been kept highly secret for many years. ESSENTIAL REIKI presents full information on all three degrees of this healing system, most of it in print for the first time. Teaching from the perspective that Reiki healing belongs to all people, Diane Stein breaks new ground in her classic guide to this ancient practice. While no book can replace the directly received Reiki "attunements," ESSENTIAL REIKI provides everything else that the healer, practitioner, and teacher of this system needs.
