The Church God Blesses Zondervan

God Is Looking For A Church To Bless

God wants to transform his church into a people of power, joy, and peace

Jim Cymbala reminds us that Christianity is only as strong as the local church and that God wants to bless our churches in ways we can't possibly imagine. It doesn't matter whether a church is alive and growing or barely surviving on life support. God has a

plan for it. It doesn't matter whether a church is facing financial challenges, internal divisions, or strife among its leaders. God has a plan for it. God is able to deal with any problem a church will ever face--as long as his people earnestly seek him. As the pastor of The Brooklyn Tabernacle, Cymbala knows that God's blessing and grace is available to us today just as much as it was in the early church, when thousands of people became believers despite the fact that the church lacked everything we consider vital: church buildings, seminaries, printed materials, sound systems, choirs, and money. None of these things mattered. What mattered was

that God's hand was on the church, working through his people to build the kingdom. Then, as now, God chose the church to manifest his presence to the world. In this companion book to *The Life God Blesses*, *Cymbala* describes the kind of church God wants to bless and use. Based on the Word of God and personal experience, *The Church God Blesses* describes the key elements found in a vitally alive church and offers church leaders and individual Christians a fresh and invigorating look at what God intends the church to be. The church God blesses is not necessarily the largest, newest, or loudest church in town. Instead, it's a place where believers:

* Receive solid spiritual nourishment
 *Can trust in God's protection
 *Engage in vital praise and worship
 *Become effective in ministry
 *Learn that confession of sin is the channel to God's power

 Discover how prayer can completely transform your life and put you in the presence of God's throne of grace.
 Hebrews 4:16 says you can always "approach God's throne of grace with confidence,"

knowing that you will "receive mercy and find grace" to help you in your time of need. That promise is so immense it's difficult for us to understand. In this six-session video-based Bible study (DVD/digital video sold separately), Pastor Jim Cymbala explores how God promises in his Word to always hear you, answer you, and extend his mercy

when you come to him. As you pray with faith, he will provide his perfect peace and "meet all your needs according to the riches of his glory" (Philippians 4:19). You will find that approaching God's throne of grace will change your life and circumstances like nothing else--and that when you and other believers call on his name, powerful

things happen in the world! Featuring teachings by Jim Cymbala and interviews with ordinary people who received extraordinary answers to their prayers, this study includes video teaching notes, Bible exploration questions, and personal study and reflection materials for in-between group sessions. Sessions include: The

traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really

an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same

way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain.

Have you ever desperately longed to reach out your hand and bring healing to these needs? At times, our hearts ache with the desire to help, but either we don't know how, or we are afraid and stop short. The truth is, the Holy

Spirit within you is ready to heal the sick! Charles and Frances Hunter present solid, biblically based methods of healing that can bring not only physical health but also spiritual health and abundant life to you, your family, and everyone around you. Fiercehearted NavPress Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction.

And he offers practical and fruitful advice â€"born out of his five decades as a pastor â€"that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

'Here Are Your Gods!' Whitaker House
MORE THAN ONE MILLION COPIES SOLD For anyone seeking to live at the center of God's purposes, this well-loved book points the way to new spiritual

vitality in the church and in your own life. A classic must-read for readers looking for hope and transformation in the church today, *Fresh Wind, Fresh Fire* shows what the Holy Spirit can do when believers get serious about prayer and the gospel. As this compelling book reveals, God moves in life-changing ways - calling us back from spiritual dead ends, apathy, and lukewarm religion - when we set aside our own agendas, take him at his word, and listen for his voice. Pastor Jim Cymbala knows from personal experience. Back in the early 1970s his own church, the Brooklyn Tabernacle, was a struggling congregation of twenty. Then they

began to pray, God began to move, and street-hardened lives by the hundreds were changed with the love of Christ. Today, they are nearly ten thousand strong. In this twentieth anniversary edition, *Cymbala* updates the classic stories, including that of his own daughter, Chrissy Cymbala Toledo. He talks about how the church has grown and how God helped the church move from its location on Flatbush Avenue to a larger facility that the growing church couldn't "afford" as God continues to dramatically reshape the life stories of so many people who encounter Christ and the power of the gospel. This message of hope and transformation

continues. Also available in Spanish, *Fuego vivo, viento fresco*. *Fresh Power Perigee Trade*
The Church today is in the middle of a powerful storm, the intensity of which is likely to increase in the future. Many Christians are bewildered and concerned by what they see—a culture that 's become increasingly hostile to biblical Christianity and a church whose vital signs are quickly waning. In *Strong through the Storm*, pastor and bestselling author Jim Cymbala speaks to every Christian who is concerned about the challenges the church is facing in America today. Using powerful stories of people who have

been transformed by Christ, Cymbala offers hope, helping Christians to understand that a life surrendered to Christ will not be easily defeated, even in the midst of growing hostility toward Christians. No matter how much spiritual darkness encompasses the world, the light of the gospel cannot be suppressed. Some churches are coming at the storm with harsh legalism, but Cymbala explains that the message needs to be grace. We need to understand the spiritual battle we are in and use the right weapons against it, says Cymbala. We are not struggling against the leaders of this world or the people in the battle, we are struggling against our spiritual enemy, and

we need to fight with the Word of God, prayer, and the Holy Spirit. We don't need more church growth programs to turn the church around. What's needed is a transformation so that the gospel is preached, the Holy Spirit is allowed to lead, and lives are changed.
