An intimate tour of quintessential Provencal style, featuring chic homes and interior details inspired by this picturesque region. Thirty years after the publication of Peter Mayle's bestselling memoir *A Year in Provence*, the sun-drenched southern French region continues to excite home decorators with its combination of rustic charm, elegant details, and historical influences.

Provence Style showcases the best of the region, with Shauna Varvel's

quintessential 18th-century Rhône valley

farmhouse--Le Mas des Poiriers--as its

centerpiece. Named for the working pear orchard on the grounds, the property was reimagined by noted local architect Alexandre Lafourcade, who transformed a rough

structure into a luxurious expression of the Provençal aesthetic, referencing historical influences, rural traditions, and Parisian taste. Set amid a garden of allées, arbors, and terraces designed by the architect's mother, renowned landscape designer Dominique Lafourcade, this exemplar of Provençal style is the starting point for exploring the region's characteristic interior details and exterior features. The book includes chapters on the public spaces of the home, from entrances to living rooms, the private realm of bedrooms and bathrooms, and outdoor areas including patios and kitchen gardens, transporting the reader on a captivating stylistic journey.

#1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES

With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit

---

hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “ Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.” —People (four stars) “ I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.” —Elizabeth Gilbert, author of *Eat, Pray, Love* “ This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.” —Los Angeles Times “ Moving . . . transcends the memoir genre’s usual self-centeredness to explore

how human beings can always surprise you.” —USA Today “ It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.” —Newsweek *Look how Much You Can Make with Just One Yard of Fabric!* Search Press Ltd “ Do away with patterns and embrace your creative spirit with this vibrant and fun book.” —Quilting Arts With simple design principles, you can create unique improvisational quilts. Without using patterns, learn five easy piecing techniques for your improvisational toolbox (including circles, blocks, and strips), and watch the art unfold before your eyes. Focus on color combos and negative space to discover your personal style—and then add dazzling texture with free-motion quilting. Also included is information on hanging finished art quilts without a sleeve, plus tried and true improv tips to encourage creative play.
