A Graphic Adaptation An HBO Original Movie starring Michael B. Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes, then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan. It is a mantra, a duty, a way of life in a tightly monitored world where thinking is dangerous and books are forbidden. In 1953, Ray Bradbury envisioned one of the world's most unforgettable dystopian futures, and in Ray Bradbury's Fahrenheit 451, the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel. As could only occur with Bradbury's full cooperation in this authorized adaptation, Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government-controlled thought and the inestimable value of philosophy, theology, and literature. Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterwork, Ray Bradbury's Fahrenheit 451 is an exceptional, haunting work of graphic literature.

They came after the Disera. Some were terrors ripped from our collective imaginations, remnants of every mythology across the world. And some were like nothing anyone had ever dreamed up, even in their worst nightmares. Monsters. Long ago, the barriers between our world and the Otherworld were ripped open, and it's taken centuries to bring back civilization in the wake of the catastrophe. Now, the luckiest Cits live in enclosed communities, behind walls that keep them safe from the hideous monsters fighting to break through. Others are not so lucky. To Joyeaux Charmand, who has been a Hunter in her tight-knit mountain community since she was a child, every Cit without magic deserves her protection from dangerous Othersiders. Then she is called to Apex City, where the best Hunters are kept to protect the most important people. Joy soon realizes that the city's powerful leaders care more about luring Cits into a false sense of security than protecting them. More and more monsters are getting through the barriers, and the close calls are becoming too frequent to ignore. Yet the Cits have no sense of how much danger they're in-to them, Joy and her corp of fellow Hunters are just action stars they watch on TV. When an act of sabotage against Joy takes an unbearable toll, Joy uncovers a terrifying conspiracy in the city. There is something much worse than the usual monsters infiltrating Apex. And it may be too late to stop them

A librarian's laugh-out-loud funny, deeply moving collection of love letters and breakup notes to the books in her life. If you love to read, and presumably you do since you've picked up this book (!), you know that some books affect you so profoundly they forever change the way you think about the world. Some books, on the other hand, disappoint you so much you want to throw them against the wall. Either way, it's clear that a book can be your new soul mate or the bad relationship you need to end. In Dear Fahrenheit 451, librarian Annie Spence has crafted love letters and breakup notes to the iconic and eclectic books she has encountered over the years. From breaking up with The Giving Tree (a dysfunctional relationship book if ever there was one), to her love letter to The Time Traveler's Wife (a novel less about time travel and more about the life of a marriage, with all of its ups and downs), Spence will make you think of old favorites in a new way. Filled with suggested reading lists, Spence's take on classic and contemporary books is very

much like the best of literature—sometimes laugh-out-loud funny, sometimes surprisingly poignant, and filled with universal truths. A celebration of reading, Dear Fahrenheit 451 is for anyone who loves nothing more than curling up with a good book...and another, and another, and another!

Get drawn into a dystopian world to witness the struggle between one's self and their society. Students imagine what themes might be present in a dystopian future as perceived during the early 1950s. Predict what will happen to the woman whose books were hidden in the attic. Complete a paragraph from the novel with their missing vocabulary words. Answer multiple choice questions about the

character Faber. Students reflect on the women's discussion of the two presidential candidates, and whether a person's name and appearance plays any factor in today's politics. Depict an alternate reality where Beatty and Montag join forces concerning their interest with books and the information they contain. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Fahrenheit 451, written by Ray Bradbury, is the story of a man's struggle with his society and himself. The story begins with Guy Montag, a "fireman" charged with the job of burning books that have become outlawed. In this society, books have been deemed to have no value with new media and sports accommodating short attention spans. His struggle begins when he meets his neighbor Clarisse McClellan, a free-thinker that begins to open his mind. From there, he soon finds himself stealing the books he was tasked to destroy. Montag's struggle culminates in an attempt to discover the value of books himself, putting him in the very same danger as those he once persecuted.

Fireman Guy Montag loves his job. Since houses have been made fireproof, firemen no longer put out house fires--now they burn books. No one is allowed to read books--no one wants to read books. Books are only filled with confusing and contradictory ideas, and it is more important to have fun and be entertained. But then Montag meets a new young neighbor girl who actually seems to think. When she asks him, "Are you happy?" he finds he has no answer. And when an old woman refuses to leave her books and dies in the flames, he wonders, what in her books inspires such passion? He determines to discover it for himself, though his rebellion, and his confusion, may cost him his life. A good examination of censorship and our responsibility to understand.
