Crash Course - your effective  
every-day study companion PLUS  
the perfect antidote for exam  
stress! Save time and be  
assured you have the essential  
information you need in one  
place to excel on your course  
and achieve exam success. A  
winning formula now for over 20  
years, each series volume has  
been fine-tuned and fully  
updated - with an improved full-  
colour layout tailored to make  
your life easier. Especially  
written by senior students or  
junior doctors - those who  
understand what is essential

for exam success - with all  
information thoroughly checked  
and quality assured by expert  
Faculty Advisers, the result are  
books which exactly meet your  
needs and you know you can  
trust. Each chapter guides you  
succinctly through the full  
range of curriculum topics,  
integrating clinical  
considerations with the relevant  
basic science and avoiding  
unnecessary or confusing detail.  
A range of text boxes help you  
get to the hints, tips and key  
points you need fast! A fully  
revised self-assessment section  
matching the latest exam formats  
is included to check your

understanding and aid exam preparation. The accompanying enhanced, downloadable eBook completes this invaluable learning package. Series volumes have been honed to meet the requirements of today's medical students, although the range of other health students and professionals who need rapid access to the essentials of cardiology will also love the unique approach of Crash Course. Whether you need to get out of a fix or aim for a distinction Crash Course is for you! Provides the exam syllabus in one place - saves valuable revision time Written by senior students and recent graduates - those closest to what is essential for exam success Quality assured by leading Faculty Advisors - ensures complete accuracy of information Features the ever popular 'Hints and Tips' boxes and other useful aide-mémoires - distilled wisdom from those in the know Updated self-assessment section matching the latest exam formats - confirm your understanding and improve exam technique fast

[A Shadow Bright and Burning \(Kingdom on Fire, Book One\)](#) Routledge  
"Vivid characters, terrifying monsters, and world building as deep and dark as the ocean." --Victoria Aveyard, #1 New

---

York Times bestselling author of *Red Queen* I am Henrietta Howel. The first female sorcerer in hundreds of years. The prophesied one. Or am I? Henrietta Howel can burst into flames. Forced to reveal her power to save a friend, she's shocked when instead of being executed, she's invited to train as one of Her Majesty's royal sorcerers. Thrust into the glamour of Victorian London, Henrietta is declared the chosen one, the girl who will defeat the Ancients, bloodthirsty demons terrorizing humanity. She also meets her fellow sorcerer trainees, handsome young men eager to test her power and her heart. One will challenge her. One will fight for her. One will betray her. But Henrietta Howel is not the chosen one. As she plays a dangerous game of deception, she discovers that the sorcerers have their own secrets to protect. With battle looming, what does it mean to not be the one? And how much will she risk to save the city—and the one she loves? Exhilarating and gripping, Jessica Cluess's spellbinding fantasy introduces a powerful, unforgettably heroine, and a world filled with magic, romance, and betrayal. Hand to fans of Libba Bray, Sarah J. Maas, and Cassandra Clare. "The magic! The intrigue! The guys! We were sucked into this monster-ridden, alternative England from page one. Henrietta is literally a 'girl on fire' and this team of sorcerers training for battle

---

had a pinch of Potter blended with a drop of [Cassandra Clare's] *Infernal Devices*." --Justine Magazine "Cluess gamely turns the chosen-one trope upside down in this smashing dark fantasy." --Publishers Weekly, Starred Review "Unputdownable. I loved the monsters, the magic, and the teen warriors who are their world's best hope! Jessica Cluess is an awesome storyteller!" --Tamora Pierce, #1 New York Times bestselling author "A fun, inventive fantasy. I totally have a book crush on Rook." --Sarah Rees Brennan, New York Times bestselling author "Pure enchantment. I love how Cluess turned the 'chosen one' archetype on its head. With the emotional intensity of my

favorite fantasy books, this is the kind of story that makes you forget yourself." --Roshani Chokshi, New York Times bestselling author of *The Star-Touched Queen* "A glorious, fast-paced romp of an adventure. Jessica Cluess has built her story out of my favorite ingredients: sorcery, demons, romance, and danger." --Kelly Link, author of *Pretty Monsters*

## SPECTRUM OF THOUGHTS

George and his friend Scott both enlist in the Navy, but George is selected to lead a special unit in the NSA called the Peace Task Force, while Scott is not selected as a unit member. George must team up with his new friends, James and John, to create a secret NSA unit designed to create peace by taking down Donna and her terrorist network. Due to the secrecy of his task, George begins to feel the strain on his relationship with his family and friends because he cannot tell them the true nature of his mission.

Journal of the American Medical Association Createspace Independent Pub

Now available in a box set! The latest adventures of Private Kaylin Neya, only from New York Times bestselling author Michelle Sagara. Plunge into the fantastical city of Elantra, where magic and adventure ensure that life is never boring. CAST IN FLIGHT Private Kaylin Neya already has Dragons and Barrani as roommates. Adding one injured, flightless Aerial to her household should be trivial. But when a walk to the Halls of Law becomes a street-shattering magical assassination attempt, Kaylin discovers that it 's not the guest who 's going to be the problem: it 's all the people who

---

suddenly want Moran dar Carafel dead. friends, and the danger is astronomically higher—especially since And though Moran refuses to tell her why she ' s being targeted, Kaylin is determined to discover her secret and protect her at all costs—even if keeping up, the shadows beneath the High Halls Moran safe means dealing with Aerian politics, angry dragons and something are seeking a freedom that has never far more sinister. CAST IN DECEPTION When one of Kaylin ' s housemates, Annarion, decides to undertake the Barrani Test of Name, his friends refuse to let him face his task alone—and Kaylin ' s sentient home, Helen, is the only structure capable of shielding the rest of Elantra from the magnitude of their power. Annarion and Mandoran almost caused the destruction of the High Halls once already. Add nine of their closest friends, and the danger is astronomically higher—especially since these guests are at the heart of a political firestorm. As tensions ramp up, the shadows beneath the High Halls are seeking a freedom that has never been possible before. Kaylin must find a way to keep those shadows from escaping, or that freedom will destroy her city, the empire and everything she holds dear. CAST IN OBLIVION Kaylin ' s mission the West March might just start a war. She traveled with a Dragon, and her presence is perceived as an act of aggression in the extremely hostile world of Barrani-Dragon politics. A private Barrani Hell, built of Shadow and malice, exists beneath the High Halls. It is the High

---

Court's duty to jail the creature at its heart—even if it means that Barrani victims are locked in the cage with it. The Consort is willing to do almost anything to free the trapped and end their eternal torment. And she needs the help of Kaylin's houseguests—and Kaylin herself. Failure won't be death—it will be Hell. And that's where Kaylin is going.

A Shadow in the Ember Random House Books for Young Readers #1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling *Flesh and Fire* series—set in the beloved *Blood and Ash* world. Born shrouded in the veil of the Primals, a Maiden as the

Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well-protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is.

---

Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death ' s unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she ' s never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

Failure Before Success Elsevier  
Thieves, dangerous magic, and a weapon built with the power to destroy a god clash in this second novel of Gareth Hanrahan's acclaimed epic fantasy series, *The Black Iron Legacy*. "This is genre-defying fantasy at its very best... Insanely inventive and deeply twisted" (Michael R. Fletcher). Enter a city of spires and shadows . . . *The Gutter Miracle* changed the landscape of Guerdon forever. Six months after it was conjured into being, the labyrinthine New City has become a haven for criminals and refugees. Rumors have

---

spread of a devastating new weapon buried beneath the streets - a weapon with the power to destroy a god. As Guerdon strives to remain neutral, two of the most powerful factions in the godswar send agents into the city to find it. As tensions escalate and armies gather at the borders, how long will Guerdon be able to keep its enemies at bay? "A groundbreaking and extraordinary novel . . . Hanrahan has an astonishing imagination" (Peter McLean). The Shadow Saint continues the gripping tale of dark gods and dangerous magic that began with Hanrahan's acclaimed debut *The Gutter Prayer*.

Progressive failure has been a classical problem in the field of geotechnical engineering and has attracted considerable attention in connection with slope stability and foundation problems. It is associated with strain localization or shear banding and is also related to damage in material structures. As knowledge of the progressive failure mechanism increases, it is now necessary to establish effective communications between researchers and engineers. The International Symposium on Deformation and Progressive Failure in Geomechanics provided an opportunity for discussing recent advances in this area. A total of 136 papers were contributed from 22 countries. As well

---

as these, the symposium proceedings also contain 8 interim technical reports on the subject by the members of the Asian Technical Committee of the International Society for Soil Mechanics and Foundation Engineering and the Japanese Geotechnical Society National Committee on Progressive Failure in Geo-structures.

From James R. Hannibal—a veteran combat pilot with Top Secret clearance from the U.S. government—comes an electrifying high-tech thriller in the great tradition of Tom Clancy... Over ten years ago, Air Force major Nick Baron was part of a

failed special ops mission that left a B-2 stealth bomber at the bottom of the Persian Gulf. Now, leading his men—the Triple Seven Chase team—Baron must find the bomber and dispose of it for good before any unfriendly nation can steal the onboard technology for its own purposes. But as the team embarks on its mission, there are greater dangers waiting. When the CIA intercepts a call signal from an operative in China long thought dead, the Triple Seven Chase team is given the perilous task of retrieving the lone soldier from deep within the Chinese wilderness. There is only one plane for such a dangerous mission: the Shadow Catcher, a plane with capabilities beyond anything that has ever flown.

---

What Baron and his men don't know is that the enemy is already among them—and that the Shadow Catcher itself may be the ultimate prize. The Black Song Penguin

POLITICS ARE HELL

Kaylin wasn't sent to the West March to start a war. Her mission to bring back nine Barrani might do just that, though. She traveled with a Dragon, and her presence is perceived as an act of aggression in the extremely hostile world of Barrani-Dragon politics. Internal Barrani politics are no less deadly, and Kaylin has managed—barely—to help the rescued Barrani evade both death and captivity at the hands of the Consort. Before the unplanned “visit” to the West March, Kaylin invited the Consort to dinner. For obvious reasons, Kaylin wants to cancel dinner—forever. But the Consort is going to show up at the front door at the agreed-upon time. The fact that she tried to imprison Kaylin's guests doesn't matter at all...to her. A private Barrani Hell, built of Shadow and malice, exists beneath the High Halls. It is the High Court's duty to jail the creature at its heart—even if it means that Barrani victims are locked in the cage with it. The Consort is willing to do almost anything to free the trapped and end their eternal torment. And she needs the help of Kaylin's houseguests—and Kaylin herself. Failure won't be death—it will be Hell. And that's where Kaylin is going.

Crash Course Cardiology Elsevier Health Sciences

This global handbook provides an up-to-date and comprehensive overview of shadow banking, or market-based finance as it has been recently coined. Engaging in financial intermediary services outside of normal regulatory parameters, the shadow banking sector was arguably a critical factor in causing the 2007-2009 financial crisis. This second volume explores three particular domains of shadow banking. The first domain deals with the macro-economic fundamentals of the respective shadow banking segments: Why do they exist, what problems do

they solve and why are some of their embedded risks so persistent? The second domain captures the global dimensions of shadow banking markets, reviewing the particularities and specifics of various shadow banking systems around the world. Volume II concludes with an extensive overview of how the sector has changed since the financial crisis, focusing on regulatory arbitrage, contract imperfection and governance. Closing on unresolved issues and open-ended questions that will no doubt remain prominent in the shadow banking sector for years to come, this handbook is a must-read for professionals and policy-makers within the banking sector, as well as those

---

researching economics and finance.

"Love The Wheel of Time? This is about to become your new favorite series." --B&N SF & Fantasy Blog

A young man with forbidden magic finds himself drawn into an ancient war against a dangerous enemy in book one of the Licanus Trilogy, the series that fans are heralding as the next Wheel of Time. As destiny calls, a journey begins. It has been twenty years since the godlike Augurs were overthrown and killed. Now, those who once served them -- the Gifted -- are spared only because they have accepted the

rebellion's Four Tenets, vastly limiting their powers. As a Gifted, Davian suffers the consequences of a war lost before he was even born. He and others like him are despised. But when Davian discovers he wields the forbidden power of the Augurs, he and his friends Wirr and Asha set into motion a chain of events that will change everything. To the west, a young man whose fate is intertwined with Davian's wakes up in the forest, covered in blood and with no memory of who he is... And in the far north, an ancient enemy long thought defeated begins to stir. The Licanus Trilogy is a series readers will have a hard

---

time putting down--a relentless coming-of-age epic from the very first page. "Storytelling assurance rare for a debut . . . Fans of Robert Jordan and Brandon Sanderson will find much to admire."-- Guardian

The Light of All That Falls

Deformation and Progressive Failure in Geomechanics Dragon Flight Media

In The Shadow of the Past, Gregory D. Miller examines the role that reputation plays in international politics, emphasizing the importance of reliability—confidence that, based on past political actions, a country will make good on its promises—in the formation of military alliances. Challenging recent scholarship that

focuses on the importance of credibility—a state's reputation for following through on its threats—Miller finds that reliable states have much greater freedom in forming alliances than those that invest resources in building military force but then use it inconsistently. To explore the formation and maintenance of alliances based on reputation, Miller draws on insights from both political science and business theory to track the evolution of great power relations before the First World War. He starts with the British decision to abandon "splendid isolation" in 1900 and examines three crises—the First Moroccan Crisis (1905–6), the Bosnia-Herzegovina Crisis (1908–9), and the Agadir Crisis (1911)—leading up to the war. He determines that states with a reputation for being a reliable ally have an easier time finding other reliable allies, and have

---

greater autonomy within their alliances, than do states with a reputation for unreliability. Further, a history of reliability carries long-term benefits, as states tend not to lose allies even when their reputation declines.

Shadow Blue Box Press

A matchless warrior is pitted against a near-God in the second epic installment of the Raven ' s Blade series. It has long been our lot in life, brother, to do what others can ' t. Vaelin Al Sorna was known across the realm as the greatest of warriors, but he thought battles were behind him. He was wrong. Prophecy and rumor led him across the sea to find a woman he once loved, and drew him into a war waged by the Darkblade, a man who believes himself a god—and one who has gathered a fanatical army that threatens all of the known world. After a costly defeat by the

Darkblade, Vaelin ' s forces are shattered, while the self-proclaimed immortal and his army continue their terrible march. But during the clash, Vaelin regained some of the dark magic that once gave him unrivaled skill in battle. And though the fight he has been drawn into seems near unwinnable, the song that drives him now desires the blood of his enemy above all else...

### Strategies for Profiting with Japanese Candlestick Charts

Springer Nature

This book deals with the relationship between the appearance of UFOs as part of our conscious reality and the physical evidence left behind that substantiates that reality. The book

---

shows how UFO evidence is examined and evaluates the mind's ability to distort and alter the information that is perceived, further complicating the identification of the unidentified flying object. The phenomenon is examined from a historical perspective, tracing their interaction with the development in our civilization and culture. The startling conclusion addresses the issue of what their presence means in light of the new millennium and how their appearance in ancient history has been a harbinger of major change and upheaval on the earth. A UFO report form is provided by the

author in the appendix at the end of the book. A continued study of and investigation into the UFO phenomenon is encouraged. This book includes common modalities that the reader can access to conduct their own continuing investigations.

The Last Line of Defense Xlibris Corporation

Author of War Horse, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing down on them, Aman and his mother are barely surviving in an Afghan cave, and staying there any

---

longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow. Aman is heart-broken. Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your shadow.
