[My Life as a Fake](#) Little, Brown

Can a love triangle have only two people in it? Online, it can...but in the real world, its more complicated. In this debut novel that's perfect for fans of Jenny Han and Morgan Matson, Marisa Kanter hilariously and poignantly explores what happens when internet friends turn into IRL crushes. Is it still a love triangle if there are only two people in it? There are a million things that Halle Levitt likes about her online best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen Nash. Nash, who is somehow everywhere she goes—in her classes, at the bakery, even at synagogue. Nash who has no idea she's actually Kels. If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels.

DIVThe novel that began as a radio hoax, Theodore Sturgeon's *I, Libertine* is a hilarious erotic romp through the royal boudoirs of eighteenth-century London/divDIV Inspired by a notorious radio hoax in the mid-1950s, popular radio host and prankster Jean Shepherd exhorted his faithful listeners to approach their local booksellers the next morning and request copies of the historical novel *I, Libertine* by Frederick R. Ewing—a book that had never been written, by an author who had never been alive. The hoax was so successful that *I, Libertine* became the talk of the town, even earning the unique distinction of being banned by the Archdiocese of Boston, despite the fact that it didn't yet exist. Now there was nothing left to do but write the thing... and fantasy and science fiction legend Theodore Sturgeon was called in to work his magic./divDIV /divDIVOriginally written pseudonymously, Sturgeon's *I, Libertine* is a glorious tale of close shaves, daring escapes, and wildly licentious behavior. It covers the bawdy misdeeds of Captain Lance Courtenay as he carelessly romps through the royal court and the bedchambers of London's finest ladies. Chock-full of wicked wit and Sturgeon's trademark twists and turns, it is a hilarious, picaresque adventure that Ewing himself would certainly have been proud to call his own, if he had existed./divDIV /divDIVThis ebook features an illustrated biography of Theodore Sturgeon including rare images and never-before-seen documents from the University of Kansas's Kenneth Spencer Research Library and the author's estate, among other sources./div

[Real Or Fake? 2 One World](#)

The very strange but nevertheless true story of the dark underbelly of a 1960s hippie utopia. Laurel Canyon in the 1960s and early 1970s was a magical place where a dizzying array of musical artists congregated to create much of the music that provided the soundtrack to those turbulent times. Members of bands like the Byrds, the Doors, Buffalo Springfield, the Monkees, the Beach Boys, the Turtles, the Eagles, the Flying Burrito Brothers, Frank Zappa and the Mothers of Invention, Steppenwolf, CSN, Three Dog Night and Love, along with such singer/songwriters as Joni Mitchell, Judy Collins, James Taylor and Carole King, lived together and jammed together in the bucolic community nestled in the Hollywood Hills. But there was a dark side to that scene as well. Many didn't make it out alive, and many of those deaths remain shrouded in mystery to this day. Far more integrated into the scene than most would like to admit was a guy by the name of Charles Manson, along with his murderous entourage. Also floating about the periphery were various political operatives, up-and-coming politicians and intelligence personnel - the same sort of people who gave birth to many of the rock stars populating the canyon. And all the canyon's colorful characters - rock stars, hippies, murderers and politicians - happily coexisted alongside a covert military installation.

Fake books—anthologies of songs notated in a musical shorthand—have been used by countless pop and jazz musicians in both professional and amateur settings for more than half a century. *The Story of Fake Books: Bootlegging Songs to Musicians* traces the entertaining and previously unknown account of the origins of pop song fake books, which evolved through the bootlegging of a now obscure musical subscription service, the Tune-Dex. The book follows the history of fake books through their increased popularity among musicians to their prosecution by the government and the music industry, resulting in America's first full-blown federal trial for criminal copyright infringement. Through accounts given by jazz musicians Steve Swallow and Pat Metheny, *The Story of Fake Books* also reveals the definitive history of the most popular fake book, one that has acquired a legendary status among jazz musicians: an anthology of jazz tunes called *The Real Book*. Drawing from information in FBI files, entertainment trade papers, and federal court records, author Barry Kernfeld presents pioneering research, which brings together aspects of pop music history and copyright law to disclose this predecessor of current-day battles over pop song piracy.

Do teachers have a front row seat to America's decline? Jeremy S. Adams, a teacher at both the high school and college levels, thinks so. Adams has spent decades trying to instill wisdom, ambition, and a love of learning in his students. And yet, as he notes, when teachers get together, they often share an arresting conclusion: Something has gone terribly wrong. Something essential is missing in our young people. Their curiosity seems stunted, their reason undeveloped, their values uninformed, their knowledge lacking, and most worrying of all, their humanity diminished. Digital hermits of a sort unfamiliar to an older generation, they have little interest in marriage and family. They largely dismiss—and are shockingly ignorant of—religion. They sneer at patriotism, sympathize with riots and vandalism, and regard American society and civilization as so radically flawed that it must be dismantled. Often friendless and depressed, they eat alone, study alone, and even “socialize” alone. Educators like Adams see a generation slipping away. The problems that have hollowed out our young people have been festering for years. A year of COVID-19 lockdowns and social distancing have magnified them. The result could be a generation—and our nation's future—lost in a miasma of alienation and stupefaction. In his stunning new book, *Hollowed Out*, Jeremy S. Adams reveals why students have rejected the wisdom, culture, and institutions of Western civilization—and what we can do to win them back. Poignant, frightening, and yet inspiring, this is a book for every parent, teacher, and patriot concerned for our young people and our country

Go Ask Alice Open Road Media

A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how “reaaally big” God and his chair are, and how the Holy Spirit “shoots down power” from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

Hollowed Out Hal Leonard Corporation

“Women the world over are brought up to hope, even expect, to find the man of their dreams, marry and live happily ever after. When Stephanie Woods meets a sweet, sophisticated man who owns land and businesses, she embarks on an exhilarating romance with him. He seems compassionate, truthful and loving. He talks about the future with her. She falls in love. She also becomes increasingly beset by anxiety at the lavish three-act plays he offers her in the form of excuses for frequent cancellations and no-shows. She begins to wonder, who is this man? When she ends the relationship Stephanie switches back on her journalistic nous and uncovers a story of mind-boggling duplicity and manipulation. She also finds she is not alone; that the world is full of smart, sassy women who have suffered the attentions of liars, cheats, narcissists, fantasists and phonies, men with dangerously adept abilities to deceive. In this brilliantly acute and broad-ranging book, Wood, an award-winning writer and journalist, has written a riveting, important account of contemporary love, and the resilience of those who have witnessed its darkest sides.” --Back

I, Libertine Gost Books

Photographs of contemporary Veles are intertwined with fragments from an archaeological discovery also called 'the

Book of Veles' -- a cryptic collection of 40 'ancient' wooden boards discovered in Russia in 1919, written in a proto-

Slavic language. It was claimed to be a history of the Slavic people and the god Veles himself--the pre-Christian Slavic

god of mischief, chaos and deception

The Hymn Fake Book Penguin

"You'll always be mine." The latest taunt from my stalker reminded me I was nothing more than a

possession to my father, to the Reapers, to Archer D'Ath. Even to Kody and Steele. Princess

Danvers--the prize. His wife. Archer D'Ath's wife. I hate them. They lied to me. Over and over again.

I knew they were lying, too, and I hate myself for letting it get this far. For falling for them despite

what they did to me. For believing in the relationships I wanted so desperately to be real. Fake. It's all

fake. And none of them will let me go. Archer and his boys think they control me. My stalker wants

to possess me. I'm not an idiot--I know my newest allies are using me, too. That's fine. I'll use all of

them. I'll use them to take back what's mine. My life. My freedom. My name. No one owns Madison

Kate Danvers.

The Disney Fake Book HarperCollins

A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After

you ' ve had it, there isn't even life without drugs... It started when she was served a soft drink laced

with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral

that took her from her comfortable home and loving family to the mean streets of an unforgiving city.

It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her

diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-

person account of a teenage girl ' s harrowing descent into the nightmarish world of drugs has left an

indelible mark on generations of teen readers. As powerful—and as timely—today as ever, Go Ask

Alice remains the definitive book on the horrors of addiction.
