Fall Into Temptation BookRix

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of

future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the

course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the twentieth century.

Addiction and obsession brought Ian and Kristina together, and real life tore them apart. For Ian, Kristina is everything. What began as an obsession has morphed into that something more he so wanted. Kristina is his muse and so much more, but now both of them must make choices that may change everything. For Kristina, Ian offers all that she's ever wanted. Love. Passion. Adoration. But these come with a price, and the cost of loving him may be more than she's willing to pay. This serial is not meant to be a complete story in each volume, so expecting a happily ever after at the end of each part is a mistake. SILK is a continuing story involving one couple, Ian and Kristina, and this is their story. There will be a happily ever after at the end of the entire serial, however. Also, four volumes will be all there is to SILK. This is not a story that's meant to go on after those four parts. SILK is meant to be erotic, and while it has a story in addition to the sex, that story is one of addiction and obsession, both sexually and non-sexually. Ian and Kristina are flawed and broken, and their story is one of mad and desperate love.
