Kellen It was only supposed to be a well-deserved, three-day break from life back in the city. Three days in the islands without interruptions from work or anything else. Then I met her. She was beautiful and sexy, and she insisted we didn't share names. I would have been crazy not to agree to a long weekend of anonymous sex. I don't know when it happened, but it turned into more. I started thinking about forever with my mystery woman. That doesn't sound like something a bad boy ever considers, but there it is. I'd found the woman for me. And just when I had it all, I blew it. Salem He crashed into my life like a hurricane. He was sexy and charming, but he was a bad boy through and through, untamed and wild. I should have run away the moment he walked up to my table. Instead, I let myself be seduced by his soulful dark brown eyes and a body made for pleasure. I thought I could be safe if I kept our time together anonymous. How wrong I was. Fate has a way of giving people what they deserve, and it seems to think I should have a chance to make him suffer. Now this good girl has to decide if she still cares for that bad boy she met in the islands or wants to exact her revenge.

Heart of Darkness is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country – even though this man wasn't named Kurtz. The goal and enigma of the journey have become synonymous with this name, one of the most unforgettable fictional characters of our time. JOSEPH CONRAD [1857–1924] was born in Ukraine to Polish parents, went to sea at the age of seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella Heart of Darkness [1899], adapted into a film by Francis Ford Coppola in 1979 as Apocalypse Now.
