Hey kids, do you want to know how to make all-stars for your baseball league? Or parents, do you

feel like the coaches keep passing your child up? Well no more! Or coaches, want drills and ways to motivate your players to get better? Coach Andy Collins is going to tell you everything he knows from his 35 years of youth and adult coaching and watching what works and what doesn't work. It's chock-full of ideas in 86 pages. He'll cover: * How your league chooses all-stars * What all-star selectors are really looking for * 7 tried and true methods of getting better at baseball * But more importantly, little known ways to get the people picking the team to notice you * And how to beat the "politics" that seem to get in the way Year after year kids sit in the stands crying after the all-star teams are announced and they weren't one of the players that were chosen. At the same time the students I've trained do make these same all-star teams. It was then I realized I had the information that the kids in the stands and their parents and coaches were looking for. Wherever there are kids around the world that play youth baseball, there are

kids that long to make the league's all-star team.

Every year it's the same, kids that desperately want to have their name called out (or see it announced on the list) don't make it, and a little bit of them is hurting deep inside; and they don't know why they were not picked. Little did they know that they could have fairly accurately predicted their chances almost from day one of when the season started. And if they knew what you're about the find out, they could improve enough in skill in the eyes of the all-star selectors as to be a better player or even make the all-star team. The good news is that in this book, there is a way to learn how to make the all-star team for the next upcoming season; and if not then, the following year (if you're willing to listen and follow the advice I give). While I have written this for parents and coaches to learn how this process works and how they can help these youngsters achieve their dreams, this is mostly a book written for the kid who wants to make all-stars, not a book for the parent who wants their kid to

make all-stars (there is a difference). And it will be in that voice that this book will be written.

God is our Deliverance. He is not the means or the method of deliverance, but He is Deliverance. Just as Jesus IS the Way, Truth and Life. If we want deliverance, be in spiritually, emotionally or physically, we need

God – but not an idea or the thought or the religion pertaining to God, but God Himself. We need God in our lives and we need to abide in the Father, Son and Holy Spirit to secure our deliverance and to walk in deliverance. This study guide explores what is deliverance, how it pertains to spirit, soul and body and how, contrary to common perceptions, all disciples of the Lord are called to the ministry of deliverance. Deliverance is not an exclusive ministry, but is part and parcel of the duty of the disciple. The study guide reveals how our real battle is of a spiritual nature, thus dispelling the erroneous doctrines and notions that demons and hell does not exist. This study guide seeks to equip, to empower and to train the disciple on the matter of deliverance, thus spiritual warfare.
