A Time of Dread Simon and Schuster

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre

rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

One Night With a Spy Macmillan

Rule #1: Never fall in love. Celeste Bradley captivated critics and readers alike with her unforgettable novel *Fallen*, which was nominated for the prestigious RITA Award from Romance Writers of America for Best First Book. Now, she brings us *The Lover*, the first book in the wildly fun, exciting, and sexy new *Liar's Club* series both featuring irresistible heroes who are out to steal their leading ladies hearts! She had a

secret she'd do anything to hide. Agatha Cunnington, a headstrong beauty from the country, has come to London in search of her missing brother James. The only clue she has is a cryptic letter signed The Griffin. Agatha decides to disguise herself as a respectable married woman so that she can go about the city unnoticed. But for her charade to work she needs a suitable "husband," preferably someone tall, elegant, and rakish-someone like Simon Montague Rain. He had a secret he'd do anything to hide. Simon Montague Rain, also known as The Magician, is a member of The Liar's Club, a renegade group of rogues and thieves in the service of the Crown. When someone begins murdering members of the undercover cabal one by one, Simon is given the mission to bring in The Griffin, one of his comrades who is suspected of betraying his brothers. Simon goes undercover and infiltrates the home of "Mrs." Agatha Applequist who he believes is the Griffin's mistress. Before Simon knows what's happened, he finds himself irresistibly drawn to Agatha's soft, feminine charms-and he is tempted beyond reason to break the first rule of The Liar's Club: never

fall in love.
