"Simply UNPUTDOWNABLE ... all the feels cranked up to eleven. Five stars for this delicious page-turner!" - BB Easton, bestselling author of the Netflix adaption *Sex/Life* In the world of morally corrupt teenagers, only the strongest survive... From USA Today and Wall Street Journal bestselling author Meagan Brandy comes an enemies-to-lovers, New Adult romance full of morally corrupt and power-driven teenagers. "Girls like you aren't exactly welcomed at a place like this, so keep your head down and look the other way." Those were the exact words of my social worker when she dropped me in my newest hellhole, a place for "troubled teens". I didn't listen, and now I'm on their radar. They expect me to play along in their games of hierarchy, to fall in line in the social order they've deemed me fit. Too bad for them, I don't follow rules. Too bad for me, they're determined to make sure I do. Inconceivably attractive and treated like kings...these are the boys of Brayshaw High. And I'm the girl who got in their way.

A long time ago in China, there existed three Books of Peace that proved so threatening to the reigning powers that they had them burned. Many years later Maxine Hong Kingston wrote a Fourth Book of Peace, but it too was burned--in the catastrophic Berkeley-Oakland Hills fire of 1991, a fire that coincided with the death of her father.

Now in this visionary and redemptive work, Kingston completes her interrupted labor, weaving fiction and memoir into a luminous meditation on war and peace, devastation and renewal.

I asked for his criteria for bed buddies-that's the PG version. He swore at me and said he didn't do groupies. And just like that, our friendship was off to a great start. Reese Forster was the starting point guard for the Seattle Thunder. Gorgeous. Cocky. Loved by the nation. He's also attending preseason basketball training camp where I used to work. Correction: where I work again, because I was fired from my last job. And dumped. And I might have a tiny bit of baggage, but that's normal. Right? Reese and I shouldn't have become friends. We shouldn't have become roommates. And we really shouldn't have started sleeping together ... (Except we did.) I'm adorably psychotic. He's in the NBA. ?This is not a disaster waiting to happen, at all.

The media didn't care he was grieving his brother's death. They descended on him, but to change his reputation, his manager got him a deal. Act in an indie film, one that already had Oscar buzz, and he'd get the movie roles he needed to secure his future. He took the deal. Yet he wasn't prepared for the real-life people behind the script. He wasn't prepared for the murder the movie was based on. And he really wasn't prepared for her, the biggest secret of all. She was wild. She was beautiful. She defied gravity. But was she the leading role that would tame him?

Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series from Steven Erikson. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, Gardens of the Moon is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice.
