consideration to read!

Hatchet Litres

A paranormal romance between a shifter and a fatel (people with supernatural powers) against the background of a power struggle Ashley joins the Guardian Angels pack with

her sister Sam as she wanted, but everyone is well aware that her integration will not be without difficulties. Sam's past is more present than ever and danger lurks within the pack. Will the young fatel be able to live peacefully among the shifters to the point where she is willing to bond with one of them, or will Nate have to give up his soul mate for the sake of everyone else?

Fallen Crest Extras Penguin

A renowned Harvard professor's brilliant, sweeping, inspiring account of the role of justice in our society--and of the moral dilemmas we face as citizens

What are our obligations to others as people in a free society?

Should government tax the rich to help the poor? Is the free market fair? Is it sometimes wrong to tell the truth? Is killing sometimes morally required? Is it possible, or desirable, to legislate morality? Do individual rights and the common good conflict? Michael

---

J. Sandel's "Justice" course is one of the most popular and influential at Harvard. Up to a thousand students pack the campus theater to hear Sandel relate the big questions of political philosophy to the most vexing issues of the day, and this fall, public television will air a series based on the course. Justice offers readers the same exhilarating journey that captivates Harvard students. This book is a searching, lyrical exploration of the meaning of justice, one that invites readers of all political persuasions to consider familiar controversies in fresh and illuminating ways. Affirmative action, same-sex marriage, physician-assisted suicide, abortion, national service,

patriotism and dissent, the moral limits of markets—Sandel dramatizes the challenge of thinking through these conflicts, and shows how a surer grasp of philosophy can help us make sense of politics, morality, and our own convictions as well. Justice is lively, thought-provoking, and wise—an essential new addition to the small shelf of books that speak convincingly to the hard questions of our civic life.

EverAfter Romance  
From the New York Times  
bestselling author Tijan comes  
a new stand alone romance.  
One punch took him from  
Hollywood's Golden Boy to  
Bad Boy Brody. The media  
didn't care he was grieving his  
brother's death. They  
descended on him, but to  
change his reputation, his  
manager got him a deal. Act in  
an indie film, one that already  
had Oscar buzz, and he'd get  
the movie roles he needed to  
secure his future. He took the  
deal. Yet he wasn't prepared  
for the real-life people behind  
the script. He wasn't prepared  
for the murder the movie was  
based on. And he really wasn't

prepared for her, the biggest  
secret of all. She was wild. She  
was beautiful. She defied  
gravity. But was she the  
leading role that would tame  
him?

Hailed as one of the greatest novels of all time and a classic of world literature, *War and Peace* is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an

epic history of Russia and its people, '*War and Peace*' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death

scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In *War and Peace* (1868-9), Tolstoy entwines grand themes—conflict and love,

---

birth and death, free will and fate.

### **Teardrop Shot**

**(Hardcover)** Tijan

Celebrate the thirtieth anniversary of the Newbery Honor–winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of

America’s best-loved novels by PBS’s *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother’s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair

and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

'*Things Fall Apart*' tells the story of Okonkwo, an important man in the Igbo tribe

---

in the days when white men were first on the scene. Okonkwo becomes exiled from his tribe, as a result of his pride and his fears, with tragic consequences.

**Reign of the Fallen** Courier Corporation  
NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in

Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen,

the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to

---

him: his beautiful yet innocent sister, Daenerys.

The City of Ember Farrar, Straus and Giroux  
This is the original version of A Whole New Crowd. It has only gone through one round of edits so it is rough. I make no apology for this. The edited version was released as A Whole New Crowd. This is being

published at readers' requests. They want to own the original version as well so here it is in all its gritty and monstrously long glory. There is lots of sex so the reader is forewarned.  
*Fallen Crest High (Special Edition)* Tijan  
I crawled into Ryan Jensen's bed that first night by accident. I barely knew him. I thought it was his sister's bed-her room. It took seconds to realize my error, and I should've left... I didn't. I didn't jump out. I didn't get embarrassed. I relaxed. And that night, in that moment, it

---

was the only thing I craved. I asked to stay. He let me, and I slept. The truth? I never wanted to leave his bed. If I could've stayed forever, I would have. He became my sanctuary.

Because-four hours earlier-my twin sister killed herself. *Fallen Crest Family (Special Edition)* National Academies Press

With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic.

Enriched by Jules Feiffer's splendid illustrations, the wit,

wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever.

"Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too."

--Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and

Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

*Hoot* Tijan

These were written for a promo tour I did for *Fallen Crest Home's* book release. I added a few extra surprises in here as well, but not all of them were posted, so I wanted to make them available for everyone. This is done as a thank you to the readers.

*Fallen Crest Home (Special Edition)* Tijan  
"Girls like you aren't exactly welcomed at a place like this, so keep

---

your head down and look the other way." Those were the exact words of my social worker when she dropped me in my newest hellhole, a place for "troubled teens". I didn't listen, and now I'm on their radar. They expect me to play along in their games of hierarchy, to fall in line in the social order they've deemed me fit. Too bad for them, I don't follow rules. Too bad for me, they're determined to make sure I do. Inconceivably attractive

and treated like kings...these are the boys of Brayshaw High. And I'm the girl who got in their way.----This is book one in a three book series.
