Stoner Tijan

The conclusion to the epic Fallen Crest series that gives the gang the happily ever after that has been seven books in the making.

The Sun Also Rises Tijan

Alexandra's older brother died the night he graduated. That day changed everything for her. No longer was she the party girl. No longer did she care about being popular and no longer was her family the happy unit she always thought existed. The only person who could help her heal is the same person who loved her brother as much as she did, his best friend. She only hopes to keep her entire heart from breaking when Jesse will move on, and she knows he will. After Ethan died, Jesse excelled at basketball, partying, and girls. He used it all to turn his emotions off, but the irony was that Alex was the only person who could do that for him. She helped him forget, but she was the one person he shouldn't be with because the secrets he knows could shatter everything. They could shatter her. This is part one, so expect a cliffhanger for an ending.

Fallen Crest Public (Special Edition) St. Martin's Griffin

Originally published as part of the USA Today bestselling anthology *Eye Candy*, *Fallen Crest Nightmare* brings readers the characters—and the scares—in this companion novella to Tijan's New York Times bestselling world! This novella also includes a never before published bonus scene from this Halloween tale. The characters of the popular *Fallen Crest* series are back together for a night of mischief! Sam, Mason, and the rest of the gang enter a Halloween-themed weekend with pumpkin carving, a girls' night out, and a terrifying haunted house, but the weekend takes a turn into something far more sinister....

Rich Prick EverAfter Romance

I crawled into Ryan Jensen's bed that first night by accident. I barely knew him. I thought it was his sister's bed—her room. It took seconds to realize my error, and I should've left... I didn't. I didn't jump out. I didn't get embarrassed. I relaxed. And that night, in that moment, it was the only thing I craved. I asked to stay. He let me, and I slept. The truth? I never wanted to leave his bed. If I could've stayed forever, I would have. He became my sanctuary. Because—four hours earlier—my twin sister killed herself.

Fallen Crest Extras Turtleback

In this third book of the acclaimed series, Percy and his friends

are escorting two new half-bloods safely to camp when they are intercepted by a mantichora and learn that the goddess Artemis has been kidnapped.

Guidelines for Determining Flood Flow Frequency Tijan

"A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's *The Great American Read* *Things Fall Apart* is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

Logan Kade London, Heinemann

Readers will love this story about a girl, her soul mate and her best friend taking on the world.

Gardens of the Moon HarperCollins

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration.

Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Heir of Fire Tijan

These were written for a promo tour I did for Fallen Crest Home's book release. I added a few extra surprises in here, and wanted to make them available for everyone. This is done as a thank you to the readers.

Kian (Hardcover) Litres

Fallen Crest High CreateSpace

A paranormal romance between a shifter and a fatel (people with supernatural powers) against the background of a power struggle. Ashley joins the Guardian Angels pack with her sister Sam as she wanted, but everyone is well aware that her integration will not be without difficulties. Sam's past is more present than ever and danger lurks within the pack. Will the young fatel be able to live peacefully among the shifters to the point where she is willing to bond with one of them, or will Nate have to give up his soul mate for the sake of everyone else?

Broken and Screwed Macmillan

Fans of mafia romance will love this story about a hit man who is willing to give it all up for the woman he loves.

Fallen Crest University (Special Edition) Penguin

Fans of BEAUTIFUL DISASTER will love this story about how the ramifications of parents have lasting effects on a son.

Fallen Crest Extras Bloomsbury Publishing USA

I asked for his criteria for bed buddies—that's the PG version. He swore at me and said he didn't do groupies. And just like that, our friendship was off to a great start. Reese Forster was the starting point guard for the Seattle Thunder.

Gorgeous. Cocky. Loved by the nation. He's also attending preseason basketball training camp where I used to work.

Correction: where I work again, because I was fired from my last job. And dumped. And I might have a tiny bit of baggage, but that's normal. Right? Reese and I shouldn't have become friends. We shouldn't have become roommates. And we really shouldn't have started sleeping together ... (Except we did.) I'm adorably psychotic. He's in the NBA. ?This is not a disaster waiting to happen, at all.

Carter Reed Tijan

A young adult romance fiction book.

Discharge measurements at gaging stations Entangled: Amara

'We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, "I feel a bit lightheaded; maybe you should drive ..."'

Fallen Crest Family Tijan

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampires have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampire, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampire. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampire Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath,

who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampire friends.

The Histories EverAfter Romance

A friends-to-lovers story about two childhood friends who navigate adolescence together and must decide if risking their friendship to be together is worth the risk.

The Invention of Hugo Cabret DigiCat

These were written for a promo tour I did for Fallen Crest Home's book release. I added a few extra surprises in here as well, but not all of them were posted, so I wanted to make them available for everyone. This is done as a thank you to the readers.

Things Fall Apart HarperCollins UK

The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life—and her future—forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny—and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.
