Love Is Blind meets You ' ve Got Mail in this laugh-out-loud romantic comedy following two thirty-somethings who meet on a blind dating app—only to realize that their online chemistry is nothing compared to their offline rivalry. Perpetually cheerful and eager to please, Gracie Cooper strives to make the best out of every situation. So when her father dies just months after a lung cancer diagnosis, she sets aside her dreams of pursuing her passion for art to take over his Midtown Manhattan champagne shop. She soon finds out that the store ' s profit margins are being squeezed perilously tight, and complicating matters further, a giant corporation headed by the impossibly handsome, but irritatingly arrogant Sebastian Andrews is proposing a buyout. But Gracie can ' t bear the thought of throwing away her father ' s dream like she did her own. Overwhelmed and not wanting to admit to her friends or family that she ' s having second thoughts about the shop, Gracie seeks advice and solace from someone she ' s never met—the faceless “ Sir ”, with whom she connected on a blind dating app where matches get to know each other through messages and common interests before exchanging real names or photos. But although Gracie finds herself slowly falling for Sir online, she has no idea she ' s already met him in real life...and they can ' t stand each other.

Everything You Need to Know About Falling in Love iUniverse

Biological literature of the Roman imperial period remains somehow ‘ underestimated ’ . It is even quite difficult to speak of biological literature for this period at all: biology (apart from medicine) did not represent, indeed, a specific ‘ subgenre ’ of scientific literature.

Nevertheless, writings as disparate as Philo of Alexandria ' s Alexander, Plutarch ' s De sollertia animalium or Bruta ratione uti, Aelian ' s De Natura Animalium, Oppian ' s Halieutica, Pseudo-Oppian ' s Kynegetika, and Basil of Caeserea ' s Homilies on the Creation engage with zoological, anatomic, or botanical questions. Poikile Physis examines how such writings appropriate, adapt, classify, re-elaborate and present biological knowledge which originated within the previous, mainly Aristotelian, tradition. It offers a holistic approach to these works by considering their reception of scientific material, their literary as well as rhetorical aspects, and their interaction with different socio-cultural conditions. The result of an interdisciplinary discussion among scholars of Greek studies, philosophy and history of science, the volume provides an initial analysis of forms and functions of biological literature in the imperial period.

This book, a literary-critical work on love, argues that romantic love originates neither in the gratification of appetite nor in the sexual drive, but in the nurturing relation of caregiver and child. When we, distinguish between self and other, love engages our aesthetic and analytic capacities together to recognize and to create the beloved.

From the New York Times bestselling author of The Seven Husbands of Evelyn Hugo "A seductive twist on the timeless tale of a couple trying to rediscover love in a marriage brought low by the challenges of domestic togetherness...touching, perceptive, and achingly honest." —Beatriz Williams, New York Times bestselling author When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment

without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, After I Do is the story of a couple caught up in an old game—and searching for a new road to happily ever after.

In the years after World War II, Westerners and Japanese alike elevated Zen to the quintessence of spirituality in Japan. Pursuing the sources of Zen as a Japanese ideal, Shoji Yamada uncovers the surprising role of two cultural touchstones: Eugen Herrigel's Zen in the Art of Archery and the Ryoanji dry-landscape rock garden. Yamada shows how both became facile conduits for exporting and importing Japanese culture. First published in German in 1948 and translated into Japanese in 1956, Herrigel's book popularized ideas of Zen both in the West and in Japan. Yamada traces the prewar history of Japanese archery, reveals how Herrigel mistakenly came to understand it as a traditional practice, and explains why the Japanese themselves embraced his interpretation as spiritual discipline. Turning to Ryoanji, Yamada argues that this epitome of Zen in fact bears little relation to Buddhism and is best understood in relation to Chinese myth. For much of its modern history, Ryoanji was a weedy, neglected plot; only after its allegorical role in a 1949 Ozu film was it popularly linked to Zen. Westerners have had a part in redefining Ryoanji, but as in the case of archery, Yamada's interest is primarily in how the Japanese themselves have invested this cultural site with new value through a spurious association with Zen.

I've been texting the wife I lost, the woman I loved beyond measure . . . Now someone else has answered back. Gunnar Bond is broken. Three years ago, he lived through the car crash that took his wife and twins away from him—though “lived” barely describes his current state. Giving up professional hockey, going off grid, and drinking himself into oblivion are his coping mechanisms. Another is texting his dead wife about his days without her. Therapeutic? Doubtful. Crazy? Definitely. But those messages into the ether are virtually the only thing stopping him from spiraling to even darker places. Until someone texts back . . . Sadie Yates is losing it. Suddenly guardian to a little sister she doesn't know and a misbehaving hound she'd rather not know at all, she's had to upend her (sort of) glamorous life in LA and move back to Chicago. The nanny has quit, the money's running out, and her job is on the line. The last thing she needs is her sister's hockey camp counselor, a judgmental Viking type, telling her she sucks at this parenting lark. Thank the goddess for her sweet, sensitive, and—fingers crossed—sexy text buddy who always knows the right thing to say. In the same city at last, they can finally see if their online chemistry is mirrored in real life. She just needs to set up a meeting . . . A ruined man who claims to have used up all his love is surely a bad bet, but Sadie's never been afraid of a challenge . . . even one that might shatter her heart into a million pieces.
