Crazy Love Strange Weather  
Strange Weather William Morrow  
St. Martin's Griffin

**NEW YORK TIMES BESTSELLER!** Goodreads Choice Awards Semifinalist! A collection of four chilling novels, ingeniously wrought gems of terror from the brilliantly imaginative, #1 New York Times bestselling author of *The Fireman*, Joe Hill. "One of America's finest horror writers" (Time magazine), Joe Hill has been hailed among legendary talents such as Peter Straub, Neil Gaiman, and Jonathan Lethem. In *Strange Weather*, this "compelling chronicler of human nature's continual war between good and evil," (Providence Journal-Bulletin) who "pushes genre conventions to new extremes" (New York Times Book Review) deftly expose the darkness that lies just beneath the surface of everyday life. "Snapshot" is the disturbing story of a Silicon Valley adolescent who finds himself threatened by "The Phoenician," a tattooed thug who possesses a Polaroid Instant Camera that erases memories, snap by snap. A young man takes to the skies to experience his first parachute jump. . . and winds up a castaway on an impossibly solid cloud, a Prospero's island of roiling vapor that seems animated by a mind of its own in "Aloft." On a seemingly ordinary day in Boulder, Colorado, the clouds open up in a downpour of nails—splinters of bright crystal that shred the skin of anyone not safely under cover. "Rain" explores this escalating apocalyptic event, as the deluge of nails spreads out across the country and around the world. In "Loaded," a mall security guard in a coastal Florida town courageously stops a mass shooting and becomes a hero to the modern gun rights movement. But under the glare of the spotlights, his story begins to unravel, taking his sanity with it. When an out-of-control summer blaze approaches the town, he will reach for the gun again and embark on one last day of reckoning. Masterfully exploring classic literary themes through the prism of the supernatural, *Strange Weather* is a stellar collection from an artist who is "quite simply the best horror writer of our generation" (Michael Koryta).

### *Strange Weather*

At 22, Leslie Morgan Steiner seemed to have it all: good looks, a Harvard diploma, a glamorous job in New York City. Plus a handsome, funny boyfriend who adored her. But behind her façade of success, this golden girl hid a dark secret. She'd made a mistake shared by millions: she fell in love with the wrong person. At first, Leslie and Conor seemed perfect together. Then came the fights she tried to ignore: he pushed her down the stairs, choked

her during an argument, and threatened her with a gun. Several times, he came close to making good on his threat to kill her. With each attack, Leslie lost another piece of herself. Why didn't she leave? She stayed because she loved him. Gripping and utterly compelling, *Crazy Love* takes you inside the violent, devastating world of abusive love and makes you feel the power and powerlessness of abuse that can take place anywhere and to anyone. *Crazy Love* draws you in -- and never lets you go.
