This is the definitive work on Roy Rogers, the "King of the Cowboys." The lives and careers of Rogers and his wife, Dale Evans, are thoroughly covered, particularly their work on radio and television. The merchandising history of Roy Rogers reveals that his marketing of character-related products was second only to that of Walt Disney; Roy Rogers memorabilia are still among the most popular items. Includes a comprehensive discography, filmography and comicography. Heavily

illustrated.

National American Kennel Club Stud Book NYU Press More than one hundred years after her death, Elizabeth Cady Stanton still

stands—along with her close friend Susan B. Anthony—as the major icon of the struggle for women's suffrage. In spite of this celebrity, Stanton's intellectual contributions have been largely overshadowed by the focus on her political activities, and she is yet to be recognized as one of the major thinkers of the nineteenth century. Here, at long last, is a single volume exploring and presenting Stanton's thoughtful, original, lifelong inquiries into the nature, origins, range, and solutions of women's subordination. Elizabeth Cady Stanton, *Feminist as Thinker* reintroduces, contextualizes, and critiques Stanton's numerous contributions to modern thought. It juxtaposes a selection of Stanton's own writings, many of them previously unavailable, with eight original essays by prominent historians and social theorists interrogating Stanton's views on such pressing social issues as religion, marriage, race, the self and community, and her place among leading nineteenth century feminist thinkers. Taken together, these essays and documents reveal the different facets, enduring insights, and fascinating contradictions of the work of one of the great thinkers of the feminist tradition. Contributors: Barbara Caine, Richard Cándida Smith, Ellen Carol DuBois, Ann D. Gordon, Vivian Gornick, Kathi Kern, Michele Mitchell, and Christine Stansell.

I literary leaped out of my chair when I got the call from Crystal Ltd inviting me to come for an interview the next morning. They had finally got back to me after four months, I thought my application form was unsuccessful. It had not surprised me, Crystal Ltd was one of the best technology companies in London and were growing fast. My daughter; Ruby wiggled in her chair with excitement. It was as if she knew why I was happy. I smiled and kissed her. Life had not been easy for the two of us had not been getting by easily. I had to get a job as soon as possible. Life as a single mother was not easy. I whispered a little prayer, I had to get this job no matter what. The pay was good, the hours were good and there was a daycare really close. It was perfect. I carried Ruby in my arms and headed to the bedroom, not that it was far. We lived in a one bedroom apartment. After the divorce, we had to downsize.

Fake it 'til you make it has been the motto I've lived by since my mother died. I'm also doing a really bad job at the making it part. The night we met, I was at my lowest. But you gave me a reason to feel happy again. For the first time in over a year, I was optimistic. You and I? We're the same. Don't form attachments. Follow the rules. Don't dream of a future. Too bad our hearts wouldn't listen. And this storm we're going through? The one that threatens to rip us apart? It

doesn't care that I'm falling for you. Falling For You is a different kind of brother's best friend romance. It's as emotional as it is sizzling.
