Falling in Love with Everything

Praise for The Case for Falling in Love "Why play 'hard to get' when you can just get what you want? Mari Ruti's lively research, from Plato to Freud to Gossip Girl to her own bedroom, finally puts an end to playing games, and provides a resource for lovers and the love-scorned alike. A must-read for anyone who has ever fallen in love, wants to, or wants to know what went wrong." -Arianne Cohen, creator of TheSexDiariesProject.com "At last, a relationship advice book that will actually work. If you're intelligent, interested in love, and like a book

you can't put down, this is it. John Gray, move over. The brilliant Mari Ruti has arrived." -Juliet Schor, professor of sociology, Boston College, and author of Born to Buy and Plenitude: The New Economics of True Wealth
"Groundbreaking...Ruti opens the eyes of her readers so that they can love better...A must-read." -Nancy Redd, New York Times bestselling author of Body Drama "Finally, a book that takes love seriously. Written with passion and verve...I wish I had read this book years ago!" -Sean Carroll, author of From Eternity to Here: The Quest for the Ultimate Theory of Time Are you tired of reading book after book and playing game after game, trying to avoid heartbreak? It seems impossible, and maybe that's because you can't lock up your heart like that-not if you want the real thing. And maybe that's one of the best things about love. We've been thinking about it all wrong. Our

culture's insistence that women need to learn how to catch and keep a man is actually doing much more harm than good. The more we try to manipulate our relationships, the less we are truly able to experience love's benefits and wonders. Love is a slippery, unruly thing, and trying to control and manage it robs us of its delicious unpredictability. Sure, letting go of the reins a bit might mean a broken heart, but heartbreak, in fact, offers a wealth of possibilities-creativity, wisdom, and growth-that we need in order to make the most of our lives. Liberating for women who are frustrated by the idea that they just need to learn the right "formula," *The Case for Falling in Love* shows that there isn't a method to mastering the madness of love. But that might be exactly what's so wonderful about it.

Love in the Time of Cholera (Illustrated Edition)
HarperCollins

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." -Shelsea

For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life-these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection-just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are

still good people. We need more reports of acts of kindness." —Johnny

How can we rest, even as the ground falls? *Falling in Love with Where You Are* invites you to discover a deep YES to your life, no matter what you are going through; to see crisis as an opportunity to heal, pain as an intelligent messenger, and your imperfections as perfectly placed. Through his prose and poetry, Jeff Foster will guide, provoke, encourage, and inspire you on your lonely, joyful, and sometimes exhausting pathless journey to the Home you never, ever left: the present moment. “Even in your glorious imperfection,” Jeff reminds us, “you were always a perfect expression of life, a beloved child of the universe, a complete work of art, unique in all the world...”
