riveting duology
told in verse from
#1 New York
Times bestselling
author Ellen
Hopkins. In
Burned, it all
started with a
dream, the kind of
dream that most
teen girls
experience. But
Pattyn Von
Stratten is not
like most teen

girls. Raised in a religious—yet abusive—family, a simple dream may not be exactly a sin, but it could be the first step toward hell and eternal damnation. After Pattyn’s father catches her in a compromising position, events spiral out of control. Pattyn is sent to live with an aunt in the wilds of Nevada to find salvation and redemption. What she finds instead is love and acceptance—until she realizes her old demons will not let her go. In *Smoke*, Pattyn Von Stratten is on the run. After far too many years of abuse at the hands of her

father, and after a tragic loss, Pattyn is desperate for peace. Only her sister Jackie knows what happened, but she is stuck at home with their mother, who clings to normalcy by allowing the truth to be covered up by their domineering community leaders. Without Pattyn, Jackie is desperately isolated. Is it even possible to rebuild a life when everything you’ve known has burned to ash and lies seem far safer than the truth? The complete New York Times bestselling *Crank* trilogy is now available with exclusive bonus content. This boxed set makes a perfect gift and features trade paperback editions of *Crank*, *Glass*, and *Fallout* with striking new covers and special bonus content, including an essay from author Ellen Hopkins on the true story behind *Crank* and an essay from her daughter, the real “Kristina.” In *Crank* you’ll meet Kristina—and Kristina will meet *crank*. Acting under the guise of her alter ego, Bree, Kristina explores drugs, sex, and her own dark side. A new mother struggling—and failing—to stay clean, Kristina’s

downward spiral continues in *Glass*, and the outcome is chronicled in *Fallout*, which follows the lives of three of her children. They find themselves pulled toward the one person who links them together, yet discover that it is in each other, and in themselves, that they find the trust, the courage, the hope to break the cycle. This stunning trilogy from a master poet and #1 New York Times bestselling author with nearly 3.5 million books in print is a testament to the harsh reality that addiction is never just one person's problem. *Life Inside My Mind* Simon and Schuster After
