No longer the land of the free. But home of a few brave souls. From #1 New York Times bestselling author Ellen Hopkins comes an edge-of-your-seat novel about two teens struggling to survive in a radicalized, militarized United States. The United States government, now called the Confederation, has redefined what it means to be "American." The parameters are narrow; the exceptions few. In danger and on the run, two teens who fall outside the "correct" Confederation designation must join forces on a thousand mile journey north for safety. But survival means relying on strangers and not everyone is who they appear to be. Who do you turn to when the only person you can trust is yourself, and one wrong whisper can be the difference between freedom and imprisonment, life and death?

Does it get better? The New York Times bestselling author of Crank and Tricks explores the highly charged landscapes of bullying and forgiveness in this "strong and worthy" (Kirkus Reviews) novel. Matthew Turner knows it doesn't get better. His younger brother Luke was bullied mercilessly after one of Matt's friends outed Luke to the whole school, and when Luke called Matt—on the brink of suicide—Matt was too wrapped up in his new girlfriend to answer the phone. Now Luke is gone, and Matt's family is

falling apart. No matter what his girlfriend Hayden says about forgiveness, there's no way Matt's letting those he blames off the hook—including himself. As Matt spirals further into bitterness, he risks losing Hayden, the love of his life. But when her father begins to pressure the school board into banning books because of their homosexual content, he begins to wonder if he and Hayden ever had anything in common. With brilliant sensitivity and emotional resonance, bestselling author Ellen Hopkins's Rumble explores bullying and suicide in a powerful story that examines the value of forgiveness and reconciliation.

Pattyn Von Stratten searches for love and acceptance and discovers what it takes to rise from the ashes in this riveting duology told in verse from #1 New York Times bestselling author Ellen Hopkins. In Burned, it all started with a dream, the kind of dream that most teen girls experience. But Pattyn Von Stratten is not like most teen girls. Raised in a religious—yet abusive—family, a simple dream may not be exactly a

sin, but it could be the first step toward hell and eternal damnation. After Pattyn ’ s father catches her in a compromising position, events spiral out of control. Pattyn is sent to live with an aunt in the wilds of Nevada to find salvation and redemption. What she finds instead is love and acceptance—until she realizes her old demons will not let her go. In Smoke, Pattyn Von Stratten is on the run. After far too many years of abuse at the hands of her father, and after a tragic loss, Pattyn is desperate for peace. Only her sister Jackie knows what happened, but she is stuck at home with their mother, who clings to normalcy by allowing the truth to be covered up by their domineering community leaders. Without Pattyn, Jackie is desperately isolated. Is it even possible to rebuild a life when everything you ’ ve known has burned to ash and lies seem far safer than the truth?

Where is the line between truth and fiction? Why do love and addiction so often go hand in hand? What does the real "Kristina" think about the way her story is told in Crank and Glass? Crank and Glass have always been more than just stories. Join their author Ellen Hopkins and a host of other writers as they delve deep into Kristina's story, from the straight truth on the physical effects of methamphetamine addiction to the psychological consequences of keeping secrets (and how Hopkins' books have encouraged so many teens to reveal theirs). With an essay by Ellen's real-life daughter (the basis for the character of "Kristina") that tells her version of the events that inspired the books—along with perspectives from "Scott," "Jake," and 10-year-old "Hunter," the baby from Crank—Flirtin' with the Monster is a compelling journey through the complexities of Hopkins' beloved bestselling works.

“ Who better to raise teens ’ awareness of mental illness and health than the YA authors they admire? ” —Booklist (starred review) “ [A]

much-needed, enlightening book. ” —School Library Journal (starred review) Your favorite YA authors including Ellen Hopkins, Maureen Johnson, and more recount their own experiences with mental health in this raw, real, and powerful collection of essays that explores everything from ADD to PTSD. Have you ever felt like you just couldn ’ t get out of bed? Not the occasional morning, but every day? Do you find yourself listening to a voice in your head that says “ you ’ re not good enough, ” “ not good looking enough, ” “ not thin enough, ” or “ not smart enough ” ? Have you ever found yourself unable to do homework or pay attention in class unless everything is “ just so ” on your desk? Everyone has had days like that, but what if you have them every day? You ’ re not alone. Millions of people are going through similar things. However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers. It ’ s easier to have a broken bone—something tangible that can be “ fixed ” —than to have a mental illness, and easier to have a discussion about sex than it is to have one about mental health. Life Inside My Mind is an anthology of true-life events from writers of this generation, for this generation. These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more. The goals of this book range from providing a home to those who are feeling alone, awareness to those who are witnessing a friend or family member struggle, and to open the floodgates to conversation.

The Crank Trilogy Simon and Schuster

The complete New York Times bestselling Crank trilogy is now available with exclusive bonus content. This boxed set makes a perfect gift and features trade paperback editions of Crank, Glass, and Fallout with striking new covers and special bonus content, including an essay from author Ellen Hopkins on the true story behind Crank and an essay from her daughter, the real “ Kristina. ” In Crank you ’ ll meet Kristina—and Kristina will meet Crank. Acting under the guise of her alter ego, Bree, Kristina explores drugs, sex, and her own dark side. A new mother struggling—and failing—to stay clean, Kristina ’ s

downward spiral continues in Glass, and the outcome is chronicled in Fallout, which follows the lives of three of her children. They find themselves pulled toward the one person who links them together, yet discover that it is in each other, and in themselves, that they find the trust, the courage, the hope to break the cycle. This stunning trilogy from a master poet and #1 New York Times bestselling author with nearly 3.5 million books in print is a testament to the harsh reality that addiction is never just one person ’ s problem.
