Fallout by Ellen Hopkins is the final book in the Crank trilogy. I so wanted and expected this book to be just as great as the first two. However, this wasn't the case. It was alright, but no where near as good as Crank and Glass. Perhaps it was just because I wanted more Kristina, and she wasn't mentioned too much in this book.

Fallout, like all of Ellen Hopkins' books, is written in stanzas like poems on each page and is told by Kristina's three oldest kids: Hunter, Autumn, and Summer. Johanna Lewis for School Library Journal complimented the "not-quite poetry", noting that it was "as solid as ever, though her visual formations get more mystifying and extraneous with each novel".
