What happens when Americans lose their jobs? In *American Made*, an illuminating story of ruin and reinvention, Pulitzer Prize-winning journalist Farah Stockman gives an up-close look at the profound role work plays in our sense of identity and belonging, as she follows three workers whose lives unravel when the factory they have dedicated so much to closes down. "With humor, breathtaking honesty, and a historian's satellite view, *American Made* illuminates the fault lines ripping America apart." —Beth Macy, author of *Factory Man* and *Dopesick* Shannon, Wally, and John built their lives around their place of work. Shannon, a white single mother, became the first woman to run the dangerous furnaces at the Rexnord manufacturing plant in Indianapolis, Indiana, and was proud of producing one of the world's top brands of steel bearings. Wally, a black man known for his initiative and kindness, was promoted to chairman of efficiency, one of the most coveted posts on the factory floor, and dreamed of starting his own barbecue business one day. John, a white machine operator, came from a multigenerational union family and clashed with a work environment that was increasingly hostile to organized labor. The Rexnord factory had served as one of the economic engines for the surrounding community. When it closed, hundreds of people lost their jobs. What had life been like for Shannon, Wally, and John, before the plant shut down? And what became of them after the jobs moved to Mexico and Texas? *American Made* is the story of a community struggling to reinvent itself. It is also a story about race, class, and American values, and how jobs serve as a bedrock of people's lives and drive powerful social justice movements. This revealing book shines a light on a crucial political moment, when joblessness and anxiety about the future of work have made themselves heard at a national level. Most of all, *American Made* is a story about people: who we consider to be one of us and how the dignity of work lies at the heart of who we are.

In his phenomenal #1 New York Times bestseller *Act Like a Lady, Think Like a Man*, Steve Harvey told women what it takes to succeed in love. Now, he tells everyone how to succeed in life, giving you the keys to fulfill your purpose. Countless books on success tell you what you need to get that you don't already possess. In *Act Like a Success, Think Like a Success*, Steve Harvey tells you how to achieve your dreams using the gift you already have. Every one of us was born with a gift endowed by our creator—something you do the best at with very little effort. While it can be like someone else's, your gift is yours alone. No one can take it away. You are the only one who can use it—or waste it. Steve shows how that gift holds your greatest chance

at success, and the fulfillment of your life's mission and purpose. He helps you learn to define your gift—whether it's being a problem solver, a people-connector, a whiz with numbers, or having an eye for colors. He makes clear that your job is not your gift; you may use it in your work, but it can also be used in your marriage or relationship, your community, and throughout every aspect of your life. Throughout, he provides a set of principles that will help you direct your gift. "The scriptures say your gift will make room for you and put you in the presence of great men," Steve reminds us. This book is your roadmap to identifying your gift, acknowledging it, perfecting it, connecting it to a vehicle, and riding it to success. Because Success is the gift you already have." Funny yet firm, told in Steve's warm and insightful voice, and peppered with anecdotes from his own life, practical advice, and truthful insights, this essential guide can help you transform your life and achieve everything you were born to.

A sheltered girl. A wild horse. An unforgettable journey. Maya lives like a captive. At Grandmother's house in California, everything is forbidden: friends, fun, even memories. And her life is built on lies: lies Grandmother tells her about her dead mother, lies Maya tells to impress or manipulate. But then she moves to the vast Wyoming wilderness where her mother's family awaits - kind, rugged people who have no tolerance for lies. They challenge Maya to confront the truth about who she is. And a mysterious mustang called Artemisia waits, too. She holds the key to Maya's freedom. But to find it, Maya will have to risk everything, including her life.

Fans of Ellery Adams and Heather Blake will be charmed by Esme Addison's new *Enchanted Bay* mystery series. Aleksandra Daniels hasn't set foot in the quiet seaside town of Bellamy Bay, North Carolina in over twenty years. Ever since her mother's tragic death, her father has mysteriously forbidden her from visiting her aunt and cousins. But on a whim, Alex accepts an invitation to visit her estranged relatives and to help them in their family business: an herbal apothecary known for its remarkably potent teas, salves, and folk remedies. Bellamy Bay doesn't look like trouble, but this is a town that harbors dark secrets. Alex discovers that her own family is at the center of salacious town gossip, and that they are rumored to be magical healers descended from mermaids. She brushes this off as nonsense until a local is poisoned and her aunt Lidia is arrested for

the crime. Alex is certain Lidia is being framed, and she resolves to find out why. Alex's investigation unearths stories that some have gone to desperate lengths to conceal: forbidden affairs, family rivalries, and the truth about Alex's own ancestry. And when the case turns deadly, Alex learns that not only are these secrets worth hiding, but they may even be worth killing for.

The Complete Directory to Prime Time Network and Cable TV Shows, 1946-Present John Wiley & Sons

NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia's colorful history, from America's highest-earning game show contestant of all time "Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book."—Will Shortz, crossword editor, *The New York Times* Ken Jennings is trivia's undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, *Brainiac* is a love letter to the useless fact. (Who knew that there's a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that's who.) Engaging and erudite, *Brainiac* is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

This Day in Game Show History- 365 Commemorations and Celebrations, Vol. 3: July Through September Random House

This inspiring, honest, uproarious collection of essays traces Sebastian Maniscalco's career from playing boxing rings and bowling alleys to reaching the pinnacles of comedy success. At twenty-four, Sebastian Maniscalco arrived in LA with a suitcase and saved up minimum wages. He knew no one and nothing about standup

comedy, but he was determined to go for it anyway. At forty-four, he's on the Forbes' list of highest earning comedians, sells out arenas, and has starred in four hit comedy specials including *Why Would You Do That?* on Showtime. *Stay Hungry* tells the story of the twenty years in between. On the way from clueless rube to standup superstar, Seb was booed off stages; survived on tips and stolen food; got advice from mentors Andrew Dice Clay, Vince Vaughn, Tony Danza, and Jerry Seinfeld; fell in love; and stayed true to his Italian-immigrant roots. The one code that always kept him going: stay hungry, keep focused, never give up, and one day, you'll make it.

From *The \$64,000 Question* and *Twenty-One* to *Jeopardy* and *Who Wants to Be a Millionaire*, quiz shows have permeated American culture ever since their beginnings in early radio. In *Rules of the Game*, Olaf Hoerschelmann critically examines the quiz show genre in American culture, drawing on a large body of radio and television programs and on archival materials relating to the broadcast industry, program sponsors, advertising agencies, and individual producers. Hoerschelmann relates quiz shows to the larger social and industrial structures from which they originate and examines the connection of quiz shows to the production of knowledge in American society. He also provides a rethinking of media genre theory, offering a detailed analysis of the text-audience relationships on quiz shows and their significance for the practice of broadcasting.

Baby Proof Emily Griffin A novel that explores the question: Is there ever a deal-breaker when it comes to true love? Claudia Parr has everything going for her. A successful editor at a publishing house in Manhattan, she's also a devoted sister, aunt, and friend. Yet she's never wanted to become a mother--which she discovers is a major hurdle to marriage, something she desperately wants. Then she meets her soul mate Ben who, miraculously, feels the same way about parenthood. The two fall in love and marry, committed to one another and their life of adventure and discovery. All's well until one of them has a change of heart. Someone wants a baby after all. This is the witty, heartfelt story about what happens to the perfect couple when they suddenly want different things and there is no compromise. It's about deciding what is most important in life and wagering everything to get it. And most of all, it's about the things we will--and won't--do for love.
