Everyday, around the world, women who work in the Third World factories of global firms face the idea that they are disposable. Melissa W. Wright explains how this notion proliferates, both within and beyond factory walls, through the telling of a simple story: the myth of the disposable Third World woman. This myth explains how young women workers around the world eventually turn into living forms of waste. *Disposable Women and Other Myths of Global Capitalism* follows this myth inside the global factories and surrounding cities in northern Mexico and in southern China, illustrating the crucial role the tale plays in maintaining not just the constant flow of global capital, but the present regime of transnational capitalism. The author also investigates how women challenge the story and its meaning for workers in global firms. These innovative responses illustrate how a politics for confronting global capitalism must include the many creative ways that working people resist its dehumanizing effects.

NATIONAL BESTSELLER AN NPR BEST BOOK OF THE YEAR It is December 6, 1941. America stands at the brink of World War II. Last hopes for peace are shattered when Japanese squadrons bomb Pearl Harbor. Los Angeles has been a haven for loyal Japanese-Americans—but now, war fever and race hate grip the city and the Japanese internment begins. The hellish murder of a Japanese family summons three men and one woman. William H. Parker is a captain on the Los Angeles Police Department. He ' s superbly gifted, corrosively ambitious, liquored-up, and consumed by dubious ideology. He is bitterly at odds with Sergeant Dudley Smith—Irish é migr é , ex-IRA killer, fledgling war profiteer. Hideo Ashida is a police chemist and the only Japanese on the L.A. cop payroll. Kay Lake is a twenty-one-year-old dilettante looking for adventure. The investigation throws them together and rips them apart. The crime becomes a political storm center that brilliantly illuminates these four driven souls—comrades, rivals, lovers, history ' s pawns. *Perfidia* is a novel of astonishments. It is World War II as you have never seen it, and Los Angeles as James Ellroy has never written it before.
