Can he tame her untamed fire? Or will she teach him to release his own? Gaby Alvarado, driven by a desperate need to aid her injured brother, seizes a rancharo's horse, setting off a chain of events that will intertwine her fate with that of the formidable ranch owner, Raphael Cabrillo. Raphael, incensed by what he deems as theft, sentences Gaby to an unusual penance—six months serving as companion to his ailing mother. His intention? To curb her untamed spirit, a spirit that defies conventions, from her refusal to wear shoes to her clandestine moonlit dances and impromptu picnics with his ailing mother. Yet, in the midst of his determination to rein her in, Gaby's unyielding nature stirs Raphael in ways he never imagined. As their lives become irrevocably entangled, a dangerous threat emerges, targeting Gaby. Raphael, faced with the harrowing possibility of losing her, finds himself compelled to shield the very woman he sought to tame. Amidst the clash of their wills, the question remains... will Raphael succeed in molding Gaby to fit his world, or will he succumb to the allure of the unbridled passion that defines her, ultimately surrendering to the wild, untamed fire that burns within her?

In 1860s New York, an abandoned baby girl is found by four boys and they adopt her. In time, the boys start a ranch in Montana and she grows up to be a beautiful woman. One day there arrives at the ranch a handsome Scottish lawyer, looking for an English lord's daughter kidnaped two decades earlier. By the author of Prince Charming.

Chloe Flavor Donna Fletcher

Chef Chloe Coscarelli has revolutionized how vegans cook and eat with exciting, plant-based recipes that are fun, full of flavor, and make you feel healthier. When she decided to become a vegan chef, she dreamed of changing the way the world ate. This was in the "pre-kale" days, when veggie burgers were frozen, tasteless patties loathed by the general public and if a vegan wanted to eat, well, then she had to cook! Today, corner stores stock their shelves with almond milk and mainstream restaurants pepper their menus with quinoa, tempeh, chia seeds, faro, ramps, and so many variations of avocado toast. There is truly no better time to love to eat than

now—and no easier time to be a vegan. Chloe believes the most delicious dishes come from plant-based ingredients, and has debunked the myth that vegan cooking is bland and visually unenticing. Enter: CHLOE FLAVOR. Every recipe here is bold in taste, loud in color, unabashedly unique, and, above all, easy to make. With dishes like Smoky Grits & Greens, Mango-Guacamole Crunch Burgers, and Sea Salted Chocolate Chunk Cookies, this food is for fun, friends, and family—and it's all about the flavor. Vegans will delight in Chloe's creations and carnivores won't miss the meat one bit. First breaking onto the culinary scene as the only vegan chef to capture the top prize on Food Network's Cupcake Wars, Chef Chloe Coscarelli has since been recognized for bringing vegan cuisine to the mainstream as an award-winning chef, successful entrepreneur, and bestselling cookbook author. She has published three bestselling cookbooks, and in 2015 she opened her first restaurant, by CHLOE., bringing healthy and satisfying vegan and plant-based dishes to the masses. She lives in New York City.

Everyday, around the world, women who work in the Third World factories of global firms face the idea that they are disposable. Melissa W. Wright explains how this notion proliferates, both within and beyond factory walls, through the telling of a simple story: the myth of the disposable Third World woman. This myth explains how young women workers around the world eventually turn into living forms of waste. Disposable Women and Other Myths of Global Capitalism follows this myth inside the global factories and surrounding cities in northern Mexico and in southern China, illustrating the crucial role the tale plays in maintaining not just the constant flow of global capital, but the present regime of transnational capitalism. The author also investigates how women challenge the story and its meaning for workers in global firms. These innovative responses illustrate how a politics for confronting global capitalism must include the many creative ways that working people resist its dehumanizing effects.

Kate DiCamillo's sequence of novels about the Three Rancheros is now complete -- and with this beautiful hardcover boxed set, readers can savor all three. First came Raymie Nightingale, the "triumphant and necessary book" that would become a National Book Award Finalist. Then followed the tender Louisiana's Way Home, featuring "one of DiCamillo's most singular and arresting creations" (The New York Times Book Review) and marking the first time the two-time Newbery Medalist had revisited the world of one of her novels. And finally, the much-hoped-for third novel, Beverly, Right Here.
