From the spirituals of southern fields and the

ringing chords of black gospel to the protest songs that changed the landscape of labor and the cadences sung before dogs and water cannons in Birmingham, sacred song has stood center stage in the African American drama. Myriad interviews, one-of-a-kind sources, and rare or lost recordings are used to examine this enormously persuasive facet of the movement. Nothing but *Love in God's Water* explains the historical significance of song and helps us understand how music enabled the civil rights movement to challenge the most powerful nation on the planet. **We Have Always Lived in the Castle** Univ.
