A sexy cop with a wicked streak meets the most unlikely of matches when his job lands him on the doorstep of his best friend's little sister in this fan-favorite story by USA TODAY bestselling author Victoria Dahl... With her long ponytail and sparkling green eyes, Tessa Donovan looks more like the girl next door than a businesswoman—or a heartbreaker. Which may explain why Detective Luke Asher barely notices her when he arrives to investigate a break-in at her family's brewery. He's got his own problems—starting with the fact that his partner, Simone, is pregnant and everyone thinks he's the father. Tessa has her hands full, too. Her brother's playboy ways may be threatening the business, and the tension could tear her tight-knit family apart. In fact, the only thing that could unite the Donovan boys is seeing a man come after their “baby” sister. Especially a manlike Luke Asher. But Tessa sees past the rumors to the man beneath. He's not who people think he is—and neither is she. Book 1 of Donovan Brothers. A sexy contemporary romance.

Hollywood's most glamorous people are far from glitzy when far from home. Nat Segaloff knows. During the 1970s, he was a young Boston movie publicist at a time when old-line studios were dying or merging. While an exciting new generation of film school graduates were bringing fresh energy and different sensibilities to American cinema, Nat moved from film publicist to film critic. With his contacts and insider knowledge, he intimately interviewed celebrities who thought they were safe in Boston, 3,000 miles away from the Hollywood's protective bubble. They weren't. Nat finally opens his private files for public scrutiny. Learn the workings of backstage Hollywood. Peer beneath the tinsel of Tinseltown. Some of the stories are moving and some are scandalous, but all are larger-than-life. “Thoughtful and often moving.” Gaby Hinsliff, *The Guardian* **Female Masculinities and the Gender Wars**

provides important theoretical background and context to the 'gender wars' or 'TERF wars' – the fracture at the forefront of the LGBTQ international conversation. Using queer and female masculinities as a lens, Finn Mackay investigates the current generational shift that is refusing the previous assumed fixity of sex, gender and sexual identity. Transgender and trans rights movements are currently experiencing political backlash from within certain lesbian and lesbian feminist groups, resulting in a situation in which these two minority communities are frequently pitted against one another or perceived as diametrically opposed. Uniquely, Finn Mackay approaches this debate through the context of female masculinity, butch and transmasculine lesbian masculinities. There has been increasing interest in the study of masculinity, influenced by a popular discourse around so-called 'toxic masculinity', the rise of men's rights activism and theory and critical work on Trump's America and the MeToo movement. An increasingly important topic in political science and sociological academia, this book aims to break new ground in the discussion of the politics of gender and identity. **Female Masculinities and the Gender Wars** HQN Books Sarah Ruston grew up in a small town in the southeastern part of Michigan. The Ruston children know their place in society and their duty to the family and the community. The story follows Sarah's life as she graduates from high school and goes to college in 1953. Her life does not adhere to the expectations of the era. Her life becomes “the road less traveled” by girls

from small towns. Part I begins in the summer of 1953 when Sarah graduates from Sheldon High School. Shortly after graduation Sarah goes to camp as a counselor for the summer and leaves the sheltered life of the small town. She does, however, continue something of a relationship with one of her sometimes boyfriends. Part II opens as Sarah arrives on campus in the fall of 1953 and checks into two west of King Hall. Her life as a freshman means change. Her roommate, a wealthy industrial 's daughter, introduces Sarah to the core of the academic world: boys. Sarah hasn ' t expected men to be such a large part of college life. It seems that some girls of that era came to college to get a guy. But Sarah likes the game and rises to the occasion and begins to look for romance in the academic world.

Check out "A Class Apart" - the new PBS American Experience documentary that explores this historic case! In 1952 in Edna, Texas, Pete Hernández, a twenty-one-year-old cotton picker, got into a fight with several men and was dragged from a tavern, robbed, and beaten. Upon reaching his home he collected his .22-caliber rifle, walked two miles back to the tavern, and shot one of the assailants. With forty eyewitnesses and a confession, the case appeared to be open and shut. Yet Hernández v. Texas turned into one of the nation ' s most groundbreaking Supreme Court cases. Ignacio García ' s *White But Not Equal* explores this historic but mostly forgotten case, which became the first to recognize discrimination against Mexican Americans. Led by three dedicated Mexican American lawyers, the case argued for recognition of Mexican Americans under the 14th Amendment as a " class apart. " Despite a distinct history and culture, Mexican Americans were considered white by law during this period, yet in reality they were subjected to prejudice and discrimination. This was reflected in Hernández ' s trial, in which none of the selected jurors were Mexican American. The concept of Latino identity began to shift as the demand for inclusion in the political and judicial system began. García places the Hernández v. Texas case within a historical perspective and examines the changing Anglo-Mexican relationship. More than just a legal discussion, this book looks at the whole case from start to finish and examines all the major participants, placing the story

within the larger issue of the fight for Mexican American civil rights.

John Charles Fr ä mont was the illegitimate child of a Virginia aristocrat and a working-class French immigrant; Jessie Benton was the daughter of the most powerful pre-Civil War U.S. senator, Thomas Hart Benton of Missouri, and, her gender notwithstanding, had been groomed as much as any young man to be president. Senator Benton unwittingly brought the two together, never imagining that his daughter would fall in love with Fr ä mont. Despite their disparate backgrounds, however, John and Jessie's marriage was one of the most storied events of the nineteenth century. And indeed, Jessie and John made a formidable couple. Both together and apart they contributed significantly to shaping the United States. He was a key figure in western expansion and the first presidential candidate for the Republican Party. She was a savvy political operator who played confidante and adviser to the highest political powers in the country. Despite their great efforts on behalf of their country, however, their reputations did not survive a Washington smear campaign led by none other than Jessie's father. Written with an investigative journalist's eye for detail and a novelist's flair, this biography of explorer, politician, and gold-mine owner John C. Fr ä mont and his intellectual wife, Jessie Benton Fr ä mont, also casts light on the tumultuous period that forms the backdrop for their lives, from the abolition of slavery to the building of the railroad.

Stop right there! If you like your fantasy filled with fellowships and noble quests, this anthology is not for you. And if you love lengthy tales of politics and power, then it won ' t be to your taste either. But if you like a little intimacy with your evil, and your vengeance short and sweet, with perhaps a pinch of silliness in the witchcraft, then these fourteen delicious sweetmeats of sword and sorcery will prove right up your alley. And it will be a dank, twisting, fetid alley, too. In this book you will find no high elves (only low), no politics (unless assassination is involved), and certainly no nobility. Join Lawrence Harding, Howard Andrew Jones, Esther Friesner, Jenna Rhodes, Gini Koch, Violette Malan, Leah Webber, David Farland, R.K. Nickel, Ashley McConnell, D.B. Jackson, James Enge, Jason Palmatier, and Amelia Sirina as they explore the perilous streets and clashing blades found in **GUILDS & GLAIVES**.

During the civil rights era, Mississippi was caught in the hateful embrace of a white caste system that enforced segregation. Rather than troubling the Closed Society, state news media, on the whole, marched in lockstep or, worse, promoted the continued subservience of blacks. Surprisingly, challenges from Mississippi's college basketball courts questioned segregation's validity and its gentleman's agreement that prevented college teams in the Magnolia State from playing against integrated foes. Mississippi State University stood at the forefront of this battle for equality in the state with the school's successful college basketball program. From 1959 through 1963, the Maroons won four Southeastern Conference basketball championships and created a dynasty in the South's preeminent college athletic conference. However, in all four title-winning seasons, the press feverishly debated the merits of a National Collegiate Athletic Association appearance for the Maroons, culminating in Mississippi State University's participation in the integrated 1963 NCAA Championship. Full Court Press examines news articles, editorials, and columns published in Mississippi's newspapers during the eight-year existence of the gentleman's agreement that barred black participation, the challenges posed by Mississippi State University, and the subsequent integration of college basketball. While the majority of reporters opposed any effort to integrate, a segment of sports journalists, led by the charismatic Jimmie McDowell of the Jackson State Times, emerged as bold advocates for equality. Full Court Press highlights an ideological metamorphosis within the press during the civil rights movement. The media, which had long minimized the struggle of blacks, slowly transformed into an industry that considered the plight of black Mississippians on equal footing with whites.

The first of two volumes chronicling the history and role of music in the African American experience, Nothing but Love in God's Water explores how songs and singers helped African Americans challenge and overcome slavery, subjugation, and suppression. From the spirituals of southern fields and the ringing chords of black gospel to the protest songs that changed the landscape of labor and the cadences sung before dogs and water cannons in Birmingham, sacred song has stood center stage in the African American drama. Myriad interviews, one-of-a-kind sources, and rare or lost recordings are used to examine this enormously persuasive facet of the movement. Nothing but Love in God's Water explains the historical significance of song and helps us understand how music enabled the civil rights movement to challenge the most powerful nation on the planet.

In the past, sport, particularly football, has been defined as a male domain. Women's interest stereotypically ranges from gentle tolerance to active resistance. But increasingly, women are proudly identifying themselves as supporters of their teams, and have become highly desirable audiences for sport organizations and merchandisers. Football provides a unique site at which to examine the complex interplay between three theoretical areas: identity formation and maintenance, commercialization of cultural practices, and gender hegemony. This book explores how women experience their fandom, and what barriers exist for the female fan.
